1. INTRODUCTION

Investing in our Products carries a high level of risk to your capital, which may not be appropriate for all investors. You should ensure that you understand the risks involved, including by reading the risk warnings provided in each Product Schedule, and seek independent advice if necessary. The prices of Products may change to your disadvantage very quickly. Trades involve leverage and this may result in losses exceeding your deposit.

Based on the information that you have provided to us as part of your application, unless we agree otherwise, we will categorise you either as a Professional Client or an Eligible Counterparty. When investing in Trades it is possible to lose more than your Invested Capital and you may be required to make further payments.

1.1 Our agreement with you.

- 1.1.1 This document including its Schedules (referred to as the "Terms") is part of a wider agreement between you (also referred to as "our client", "your" and "you") and CMC Markets Germany GmbH (also referred to as "CMC Markets", "we", "us" and "our") in relation to your activities carried on with us.
- 1.1.2 Capitalised words in these Terms and the Order Execution Policy have a special meaning which are explained in the definitions section in Schedule 7.
- 1.1.3 Our agreement with you consists of these Terms, any specific terms and conditions you accept on the Platform, and any additional supplementary terms offered by us in writing and agreed by you in writing (including any addendum). These documents are together referred to as the "Agreement". If there is a conflict between these Terms or any addendum, the addendum will take precedence. In accordance with clause 9, we will notify you of any changes to the Agreement. You must ensure that you keep informed of these changes.
- 1.1.4 There are additional documents and information available to you on our Website and through our Platform which contain useful information but are not part of the Agreement. These include our Order Execution Policy, our Summary Conflicts of Interest Policy, our Privacy Policy, our Complaints Procedure, certain information pursuant to § 63 (7) of the German Securities Trading Act (Wertpapierhandelsgesetz, WpHG), the Regulation Specifying Rules of Conduct and Organisational Requirements for Investment Firms (Verordnung zur Konkretisierung der Verhaltensregeln und Organisationsanforderungen für Wertpapierdienstleistungsunternehmen, WpDVerOV) and costs disclosures.
- 1.1.5 For your own benefit and protection, you should take sufficient time to read the Agreement, as well as the additional documents and information available on our Website and through our Platform, before you apply to open an Account and/or place any Order. If you do not understand any aspect of this Agreement, you should seek independent professional advice.
- 1.1.6 This Agreement contains all the terms and conditions that govern our relationship and your activities carried on with us on or in relation to the Platform and supersedes any prior oral or written representations and/or agreements between you and us which relate to our Platform.

2. REGULATORY MATTERS

2.1 Our regulatory status.

2.1.1 CMC Markets has its registered office at Garden Tower, 21 F, Neue Mainzer Straße 46-50, 60311 Frankfurt am Main, and is registered in the commercial register at the Local Court of Frankfurt under HRB 114199. CMC Markets is authorised and regulated by the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht) (referred to hereinafter as "BaFin"), reference number 154814. The BaFin's address is Marie-Curie-Str. 24-28, 60439 Frankfurt am Main and Graurheindorfer Str. 108, 53117 Bonn.

2.2 Client categorisation.

2.2.1 Based on the information available to us, we will categorise you as a Professional Client for the purposes of Applicable Law, unless we have informed you otherwise in writing that we will categorise you as an Eligible Counterparty. You are responsible for keeping us informed of any changes that could affect your categorisation as a Professional Client or Eligible Counterparty.

2.2.2 If you are categorised as a Professional Client, to the extent that we are required to assess whether our products and services are appropriate for you, we are entitled to assume that you have the necessary experience and knowledge in order to understand the risks involved in relation to the particular investment services or transactions governed by this Agreement, for which we have classified you as a Professional Client. As a Professional Client, you will not be entitled to certain protections available to Retail Clients under Applicable Law. You should refer to Schedule 5, which sets out the terms that apply to you as a Professional Client.

2.2.3 You have the right to request a different client categorisation. However, if you request to be categorised as a Retail Client, we will not be able to provide the particular investment services and transactions governed by this Agreement to you.

2.2.4 If you request to be categorised as an Eligible Counterparty, or we inform you that we have categorised you as an Eligible Counterparty, you will lose certain protections under Applicable Law, including certain protections under the German Securities Trading Act (Wertpapierhandelsgesetz, "WpHG"). If this is the case, you should refer to Schedule 5, which sets out the additional terms that apply to you as an Eligible Counterparty.

2.3 Transaction reporting.

2.3.1 Where we are required under Applicable Law to report transactions with you to the BaFin or otherwise, you will need to obtain and provide us with a valid Legal Entity Identifier (LEI) or such other information as we may require to determine your national client identifier, before you can place Orders via our Platform or through our client management team.

2.3.2 In compliance with our regulatory obligations with respect to trade and/or transaction reporting pursuant to EMIR, we shall carry out any trade and/or transaction reporting on a net position basis where permitted under the regulation for the financial instruments being traded and on a trade/lifecycle basis for financial instruments not permitted to be reported on a position level basis.

2.3.3 Where you have an obligation to carry out any trade and/or transaction reporting pursuant to EMIR, you agree that you shall also carry out such trade and/or transaction reporting on a net position basis where available for the financial instruments being traded and on a trade/lifecycle basis for financial instruments not permitted to be reported on a position level basis.

2.4 Non-advised dealing.

2.4.1 All Trades will be entered into on a principal-to-principal, non-advised and execution only basis. This means that, unless we agree otherwise in writing, neither you nor we can act as agent, attorney, trustee or representative for any other person. Other than an Authorised Person appointed in relation to an Account in accordance with clause 3.3.1, you will not permit any person to deal with us on your behalf.

2.4.2 We do not provide investment, financial, legal, tax, regulatory or similar advice. Any information or other features (including charts) provided to you must not be treated as advice that is suitable for you or as advice that is based on a consideration of your personal circumstances. We are not responsible for any investment decisions that you make.

2.5 Complaints and disputes.

2.5.1 If, having gone through our Complaints Procedure, you are dissatisfied with our handling and/or findings in relation to your complaint or dispute, you may be able to refer the matter to the following institutions:

- Deutsche Bundesbank's public Schlichtungsstelle (conciliation board). The address of the Schlichtungsstelle as at August 2024 is: Deutsche Bundesbank, Schlichtungsstelle, Postfach 10 06 02, 60006 Frankfurt am Main); and/or
- BaFin. BaFin's addresses as at August 2024 are Marie-Curie-Str. 24-28, 60439 Frankfurt am Main and Graurheindorfer Str. 108, 53117 Bonn.

2.6 Order execution, conflicts of interest and Price sources.

- 2.6.1 We, or our Associates, may have an interest or relationship which conflicts with your interests or our duties to you. You should read our Summary Conflicts of Interest Policy as this sets out how we identify and prevent or manage all material conflicts of interest.
- 2.6.2 We enter into all Trades with you using Prices quoted or otherwise shown by us through our Platform or through our client management team. Our Prices are not identical to prices for similar financial instruments or their underlyings quoted on a Trading Venue or by other providers. By entering into Trades via our Platform or through our client management team you consent to your Orders being executed outside of a Trading Venue and in accordance with our Order Execution Policy. We will determine the value of your open Positions on each Business Day at 10 pm GMT, using the Closing Prices applicable on that Trading Day.
- 2.6.3 Prices quoted or otherwise provided by our client management team may differ at any time to those displayed on the Platform.
- 2.6.4 Additional terms set out in the Schedules will apply to your Order.
- 2.6.5 We may from time to time, in our sole discretion, accept instructions including instructions to agree to execute Orders we receive via e-mail or other electronic messaging system. We have no obligation to accept, all or any part of an instruction via e-mail or electronic messaging system. You authorise us to act on any instruction or Order given or appearing in our reasonable opinion to have been given by you through e-mail or other electronic messaging system. Without limitation of the foregoing, we have no responsibility for, nor for any loss arising from, transmissions that are inaccurate or not received by us, and we may execute any Order on the terms actually received by us without requirement to seek further confirmation. Any acceptance of such instructions shall not create any precedent of future behaviour. We may ask you to agree to additional written terms relating to this clause.

2.7 Duration of the Agreement and your rights to cancel.

- 2.7.1 The Agreement will become legally binding between you and us on the date that we confirm in writing that we have accepted your application to open an Account.

3. ACCOUNTS

3.1 Account types and features.

- 3.1.1 We offer different Account types and features. We reserve the right to convert your Account type and/or enable/disable (as applicable) Account features in our sole discretion.
- 3.1.2 The Products available may vary depending on the Account type and/or feature. Please see the Platform for details of which Products are available. You will be able to access relevant information on each Product, including its Attributes, through the Product Library.

3.2 Account opening process.

- 3.2.1 When we receive your completed application form, we may use your information to conduct any further enquiries about you as we (in our sole discretion) determine are necessary or appropriate in the circumstances. You should provide us with information about any relevant factor that could affect your trading activities with CMC Markets. If you are an individual, where our enquiries include searches with credit reference agencies, they may appear on your credit history. We may also carry out any additional checks or periodic reviews that we (in our sole discretion) determine are necessary or appropriate in the circumstances. You will need to co-operate with us and promptly supply any information that we request.
- 3.2.2 We rely on the information that you provide us in the Account opening process or otherwise as being correct and not misleading at all times, unless you notify us otherwise in writing. We use any information we have about you to make an assessment of whether or not investing in Trades and/or operating an Account with us is appropriate for you to the extent that we are required to assess this. You must notify us as soon as possible in writing if any of the details provided to us in the Account opening process have changed or if your circumstances have subsequently changed.

3.3 Authorised Persons.

- 3.3.1 If you want to appoint an attorney or agent, you must notify us in writing of any person who is authorised to act on your behalf in relation to this Agreement (an Authorised Person). You and/or the Authorised Person will be required to complete such further documentation as we may reasonably require. We may require evidence that the Authorised Person has authority and is appropriate to act on your behalf.
- 3.3.2 We may revoke or reject the appointment of an Authorised Person if we know or reasonably suspect that such appointment could result in a breach of the Agreement and/or Applicable Law. You must immediately notify us in writing of any changes to the appointment and/or authority of any Authorised Person.
- 3.3.3 We shall be entitled to act upon any instructions of, or Orders transmitted by, any Authorised Person or any person who reasonably appears or purports to be an Authorised Person in relation to your Account, notwithstanding that the person is not, in fact, so authorised.
- 3.3.4 Notwithstanding clause 3.3.3, we will not be under any duty to accept any instructions or Orders from such Authorised Person if we reasonably believe that the Authorised Person may be acting in excess of their authority. Any action taken by an Authorised Person appointed by you or any person who reasonably

appears or purports to be an Authorised Person shall be deemed to be an action by you. Any information provided by us to an Authorised Person or any person who reasonably appears or purports to be an Authorised Person will be deemed to have been provided by us to you.

3.4 Security and Account authentication.

3.4.1 You are responsible for setting your own password in accordance with the instructions that we will provide to you, as well as keeping all information you hold in your Account confidential. You must notify us immediately if you know or suspect that any person has accessed or may access your Account, or any information you hold in your Account, without your permission. Unless you notify us otherwise under this clause 3.4.1, we will treat any activity on or communication made from your Account as having been authorised by you and you may be liable for such activity up to the point of notification. We may need to change or reset your password and we will notify you if we do this.

4. TRADING WITH US

4.1 Orders.

4.1.1 In addition to our rights to modify, cancel and/or reject your Orders, we may, in our sole discretion, refuse to accept any instructions. We may set a particular Product to Reduce Only and/or set an Account to Reduce Only or Unauthorised To Trade, for any reason whatsoever.

4.1.2 Orders for Manual Products may only be placed, modified, rolled-over, cancelled or closed through our client management team. You will not be able to place, modify or take any other actions on Manual Products through the Platform. You must specify the required information so that our client management team can execute your Manual Order. A Manual Order will be entered into when executed by the client management team.

4.2 Accessing our Platform.

4.2.1 We will do our best to make our Platform and our client management team available when required by you, but we cannot guarantee that our Platform or our client management team will be available continuously. Subject to clause 7.3.2(b), we will not be liable to you for any loss which arises as a result of our Platform and/or our client management team being unavailable.

4.2.2 You are responsible for making sure that you are able to access our Platform when you need to. This includes having access to a device that can connect to our Platform, maintaining the device so that it functions properly, safely and securely and having adequate internet connectivity.

4.2.3 If you cannot access our Platform directly, then you should try to contact our client management team by telephone or e-mail to request assistance. However, this is likely to be much slower than accessing our Platform directly and we cannot guarantee the availability of our client management team.

4.2.4 Where our Platform, Website, e-mails or any other content generated by us contains links to other websites and resources provided by third parties, these links are provided for your information only and we accept no responsibility for them or for any loss or damage that may arise from your use of them.

4.3 Information and reports about your trading activity and your Account.

4.3.1 We provide a range of information relating to your Account on and through our Platform, including the following:

- (a) once we have executed an Order on your behalf, we will promptly provide you with the essential information concerning the execution of the Order in real time through the Platform;
- (b) where the value of any relevant Trade moves by ten (10) per cent or multiples of ten (10) per cent, we will notify you as required under Applicable Law; and
- (c) up-to-date statements of your Positions and any money held by us in respect of your Account as required under Applicable Law.

4.3.2 It is your responsibility to regularly access and review the information set out in clause 4.3.1 to ensure that it corresponds with your own records. Subject to clause 4.6, this information will be conclusive unless we notify you of any mistake, error or inaccuracy or you notify us in writing of any mistake, error or inaccuracy and we agree with your notification.

4.3.3 Our Platform will update the information set out in clause 4.3.1 in real time. However, from time to time this may not happen immediately due to a Circumstance Outside Our Control (see clause 8.2).

4.3.4 We will retain certain information in relation to an Order or Trade to the extent and for the duration required by Applicable Law (usually seven (7) years from the date of the relevant Order or Trade) and/or as required for the establishment and defence of legal rights. You may access this information through our Platform or upon request unless the relevant Account has been closed or the Agreement has been terminated. After this period, we may destroy this information or retain it for such further duration as we see fit in our sole discretion and without notice to you.

4.4 Account Value.

4.4.1 Your Account Value is based on the sum of your Cash and any net Unrealised Profit Or Loss (such terms are defined in Schedule 7) and, for the avoidance of doubt, relates to the net sum of your Positions in CFD Margin Trades and/or Rolling Spot FX Contracts (as applicable).

- 4.4.2 If we operate a Multi-Currency Account for you, the Combined Currency Accounts Value must at all times be kept with a positive cash balance.
- 4.4.3 Notwithstanding clause 4.4.2, the cash balance in one or more Currency Sub-Accounts can be negative, as long as the Combined Currency Accounts Value is positive at the Currency Conversion Rate.
- 4.4.4 In the event that one or more of your Currency Sub-Accounts has a negative balance we may in our sole discretion, convert cash from one or more other Currency Sub-Account, to ensure any Currency Sub-Account Value is positive.
- 4.4.5 It is important to ensure you maintain a sufficient cash balance in your Account as well as in your Multi-Currency Sub-Accounts. We reserve the right to charge you a fee where there is a negative balance on any current Sub-Account. Each currency Sub-Account will be held and calculated separately.
- 4.5 Risk management.**
- Limits on your Trades.*
- 4.5.1 We may, at our sole discretion, waive limits in relation to your Trades.
- 4.5.2 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by our Platform, unless otherwise agreed between you and our client management team.
- 4.6 Errors.**
- 4.6.1 From time to time, errors and omissions may occur in respect of your Trades, your Account or our Platform (each an Error). Examples of Errors may include (without limitation): a Pricing Error, our Platform displaying incorrect Prices (whether caused by a third party supplier or due to a problem with our systems), an Order being handled incorrectly by our Platform and/or our client management team (including execution at an incorrect Price or contrary to underlying market conditions) or incorrect Deductions or credits being applied to your Account.
- 4.6.2 If you or we know or suspect, or are aware of circumstances in which you or we ought reasonably to know or suspect, that an Error has occurred:
- (a) as applicable, you must notify us of any Errors or we will notify you of Errors which we deem to be materially detrimental to you, in each case as soon as reasonably practicable and which for the avoidance of doubt may be after an Error has occurred; and
- (b) we will then investigate whether there has, in fact, been an Error and/or what caused it.
- 4.6.3 If an Error has occurred, this constitutes a Specified Event and the provisions of clauses 8.1 and 8.3 will apply. We will inform you of any Reserved Actions we may take, or may have taken, in accordance with clause 8.3.2.

5. FINANCIAL MATTERS

5.1 Your money.

- 5.1.1 As permitted by Applicable Law, we may agree with you that we are not required to hold money which is transferred by you to us in a segregated client money bank account. Any such agreement must be in our agreed form and signed by you. If such agreement is signed by you, you acknowledge and accept that:
- (a) full title and ownership of all such amounts received from you or credited by us to your Account shall transfer to us;
- (b) all amounts deposited with us should be for the purposes of securing or covering your present or future, actual, contingent or prospective obligations to us;
- (c) such money does not constitute client money for the purposes of Applicable Law and may be used by us in the course of our business without restriction, including by transferring it to third parties (including a counterparty) to satisfy an obligation to provide collateral in respect of a transaction, or generally in relation to our own business; and
- (d) you will not have a proprietary claim over such money and you will rank as an unsecured creditor of us in respect of this money in the event of our insolvency.
- 5.1.2 Subject to clauses 5.1.1 and 5.1.4, we shall hold and maintain an Amount equal to your Account Value for each Account you hold with us in a segregated client money bank account.
- 5.1.3 On each Business Day, we complete client money reconciliations based on our records from the close of business of the previous Business Day to establish the correct amount of money which should be held and segregated in our client money bank accounts in accordance with Applicable Law. Following the reconciliation, any required transfer to or from the client money bank account in respect of your Account will then be processed by the close of business on the Business Day that the reconciliation is performed.
- 5.1.4 We do not accept responsibility for any loss or damage suffered by you as a result of you trading with money placed in or credited to your Account in error by us or on our behalf. We will be entitled at any time and in our sole discretion to deduct, without notice or recourse to you, any money placed in or credited to your Account in error by us or on our behalf. If there is no balance left on your Account for CMC Markets to deduct any money placed in or credited to your Account in error by us or on our behalf, you agree to return any such outstanding sum to CMC Markets immediately on demand.

- 5.1.5 We will not pay interest to you on any money held on your behalf or otherwise under this Agreement. We will not charge a custody fee (e.g. as compensation for negative interest rates) under this Agreement.
- 5.1.6 If we determine your Account to be inactive for more than thirty (30) days, we will use reasonable endeavours to return your money to you.

5.2 Payments and withdrawals.

- 5.2.1 You are responsible for making any payments to us which are required under the Agreement. We may reject any payment that is not made in accordance with our payment procedures (details of which are available on our Platform or from our client management team upon request).
- 5.2.2 If your Account has a negative Cash value following Account Close-Out or termination of this Agreement, that negative Cash value represents a debt owed to us which is due and payable immediately.
- 5.2.3 Any negative balance must be cleared promptly regardless of whether the balance is within the relevant Close-Out level and is a debt, which is payable immediately on demand.
- 5.2.4 If you fail to make a payment due to us under clause 5.2.2 and clause 5.2.3 by the due date, then, without limiting our remedies under this Agreement, you will pay interest on the overdue sum from the due date until we receive payment of the overdue sum on your Account, whether before or after judgment. Interest under this clause 5.2.4 will accrue each day at 4% a year above the European Central Bank's base rate from time to time, but at 4% a year for any period when that base rate is below 0%.
- 5.2.5 When making payments to us, you may wish to leave "headroom", especially during volatile and potentially volatile periods, (i.e. an Amount that ensures you have sufficient funds above your Margin requirements and that your Account Revaluation Amount is in excess of your total Margin requirements (if applicable) or the Amount required to keep the Account Revaluation Amount above the applicable Close-Out Level on any Account). You should consider your Positions, Trades and Pending Orders, the volatility of the particular Product concerned and the relevant markets for the underlying asset, the time it will take for you to make further payments of cleared funds to us and any other matter which you may think relevant.
- 5.2.6 Any payment made by you or on your behalf by certain Authorised Persons will only be given effect once our systems have credited it to the relevant Account and it is shown on our Platform. We cannot guarantee how long this process will take and, subject to clause 7.3.2(b), we will not be liable to you for any loss arising as a result of any delay in us crediting any payment to your Account.
- 5.2.7 You are responsible for any costs and charges incurred in the process of making any payment to your Account. You may also be liable for other charges that are not imposed by us, including bank transfer fees, and fees to internet and telephone service providers. If you make a payment by debit card or credit card or withdraw money from an Account, we may charge an administration fee to process any payment and/or withdrawal in accordance with Applicable Law.
- 5.2.8 You may make a request to withdraw money up to the lower of your Available Equity or Cash from your Account. Details on how to make withdrawals of money from your Account are available on our Website or from our client management team upon request.
- 5.2.9 Unless we agree otherwise or in order for us to comply with Applicable Law, we will only accept a request for a withdrawal of money from an Account that is given directly by you or certain Authorised Persons. We will not accept any request for a withdrawal of money from an Account from any other person. Withdrawals of money from your Account will only be made in the Account Currency. Withdrawals will only be processed by us where the destination for the money being withdrawn is to an account in your name, which you have registered with CMC Markets, unless (subject to our prior approval) you have notified us in writing that your payment details have changed.
- 5.2.10 We may in our reasonable discretion refuse or delay giving effect to your request for a withdrawal of money from your Account (in whole or in part), including as a result of any request to close that Account under clause 9.5.1. We will notify you as soon as reasonably practicable if we decide to refuse or delay giving effect to your request for a withdrawal and such circumstance shall be regarded as a Specified Event (see clause 8.1).

5.3 Currency.

- 5.3.1 We may make available to you a Multi-Currency Account, in our sole discretion. We may withdraw this at any time. Such Multi-Currency Account will specify the Eligible Currencies.
- 5.3.2 The Primary Account Currency of an Account will be as offered by us and specified by you at the time you open the Account, and any payment obligations in relation to that Account must be settled in an Eligible Currency.
- 5.3.3 You may hold, convert, trade, settle and deposit in any Eligible Currency. Details of the currencies which can be held in a Multi-Currency Account can be found on the Platform.
- 5.3.4 If you do not have sufficient Eligible Currency in the currency the Product is denominated in, your Order will be rejected. However, where the Multi-Currency Account is enabled on your Account, we may select in our sole discretion any other Eligible Currency available on your Account to complete the Order. Where any such Eligible Currency is not the currency in which the Product is denominated, you may be subject to currency conversion at our Currency Conversion Rate.

- 5.3.5 If the Multi-Currency Account option has been disabled or is not available on your Account, any funds held in the Multi-Currency Account or any electronic transactions and payments received into your Account that are denominated in a currency other than your Primary Account Currency, will automatically be converted to your Primary Account Currency at the Currency Conversion Rate and you may incur fees for the currency conversion.
- 5.3.6 If you enter into transactions in Products that are denominated in a currency other than an Eligible Currency, you may incur fees and foreign exchange spread, which will be added to our Currency Conversion Rate. When you place an Order, you will receive an indicative quote for the relevant currency conversion. By proceeding with an Order in those circumstances, you agree to the currency conversion at the Currency Conversion Rate, which may differ from the indicative quote depending on fluctuations in the market.
- 5.3.7 Subject to clause 5.3.8 below, Deductions and credits applied to your Account will be in the relevant Product Currency. Where the relevant Product Currency is different to the relevant Primary Account Currency, all calculations of Deductions and credits undertaken in the Product Currency can at our discretion then be converted into the Primary Account Currency on request at the Currency Conversion Rate.
- 5.3.8 Where Deductions and credits cannot be applied to your Account in the relevant Product Currency, they will be applied in the relevant Primary Account Currency. Where the relevant Product Currency is different to the relevant Primary Account Currency, all calculations of Deductions and credits will be undertaken in the Product Currency and automatically converted into the Primary Account Currency at the Currency Conversion Rate.
- 5.3.9 Our Platform will retain information about the Currency Conversion Rate in relation to your Account.
- 5.4 Our right to deduct money from your Account.**
- 5.4.1 Any money due to us under the Agreement, or required to be deducted by Applicable Law (including for tax purposes), may be deducted from any money held by us in respect of your Account. This is our right to make a Deduction.
- 5.5 Our right of Set-Off in relation to your Account.**
- 5.5.1 We may, at any time and without notice to you, apply any positive Cash balances in any account with us or our Associates, or any money due to you from us, against any money due to us (or any of our Associates) under any account with us or our Associates from you. This is our right of Set-Off. We may apply the Currency Conversion Rate to convert the relevant Cash balances and any money due to you or us into the same currency. If we exercise our right of Set-Off, we will give you notice of the Amount of any debt that remains unsatisfied and such debt is immediately payable to us.
- 5.6 Netting of payment obligations between us and you.**
- 5.6.1 If at any time in relation to any one Account:
- (a) you owe us and we owe you the same amount of money due and payable in the same currency, then both your and our obligation will each be automatically satisfied and discharged; or
 - (b) you owe us and we owe you a different amount of money due and payable in the same currency, then whichever of you or us owes more may pay the excess to the other party and both your and our obligations will be satisfied and discharged.
- 5.6.2 Notwithstanding any other provision of this Agreement, any payment obligation that we may have to you under this Agreement (other than a payment obligation pursuant to clause 5.7 below) is subject to the condition precedent that no Event of Default has occurred and is continuing and no Early Termination Date has occurred or been effectively designated.
- 5.7 Close-Out Netting and Early Termination**
- 5.7.1 All Trades entered into by you or on your behalf pursuant to these Terms are entered into in reliance on the fact that the Agreement and all such Trades form a single agreement between us and you. The term "Agreement" shall be construed as including the Agreement and all relevant Trades accordingly.
- 5.7.2 You agree you will not enter into any Trades other than as part of the Agreement.
- 5.7.3 Without prejudice to any of our other rights under this Agreement and upon the occurrence of an Event of Default with respect to a party ("**Defaulting Party**"), the other party ("**Non-Defaulting Party**") may by notice in accordance with clause 6 designate a day not earlier than the day such notice is effective as the Early Termination Date in respect of all outstanding Trades as at such date (each an "**Outstanding Trade**").
- 5.7.4 Once an Early Termination Date has been designated, no further payments will be required to be made in respect of the relevant Trades, other than payments calculated in accordance with the remaining provisions of this paragraph 5.7 and we will cancel any Pending Orders.
- 5.7.5 On or as reasonably practicable following the occurrence of an Early Termination Date, the Non-Defaulting Party will make the relevant calculations to determine its Netting Loss or Netting Gain (as applicable) for each Outstanding Trade. The Non-Defaulting Party will provide to the Defaulting Party evidence of such calculations showing reasonable detail and including all relevant quotations. Such calculations shall be binding on the Defaulting Party (absent manifest error) and the date on which such calculations are provided shall be the "Payment Date".

5.7.6 On the Payment Date, the Settlement Amount will be due and payable. If the Settlement Amount is a positive number, the Defaulting Party will pay it to the Non-Defaulting Party. If the Settlement Amount is a negative number, the Non-Defaulting Party will pay it to the Defaulting Party.

5.8 Taxes.

5.8.1 If we are required to pay any withholding tax or other levies on your behalf, we reserve the right to deduct such amounts from your Account or otherwise require you to pay or reimburse us for such payments.

We will give you notice of any change to our costs in accordance with clause 9.

5.9.2 We will charge Holding Costs for certain Trades, details of which are available on our Platform. You must have sufficient Cash in your Account to meet any Holding Cost, Currency Conversion or Commission. We may use Cash in your Account to reduce the amount of any Holding Cost, Currency Conversion or Commission you owe us.

7.1.2 If you do not satisfy, or cease to satisfy, the criteria in clauses 7.1.1(i) or 7.1.1(j), you must notify us immediately in writing and Schedule 3 will apply.

7.2 Your obligations if you breach the Agreement.

7.2.1 If you believe or have reason to believe that you have breached any term of the Agreement, then you must inform us immediately in writing.

7.2.2 You will be responsible for any losses and/or expenses that we suffer which are the result, or which we consider to be the probable result, of you or an Authorised Person being negligent, acting fraudulently or breaching the Agreement or Applicable Law.

7.3 Our liability towards you, and limitations of that liability.

7.3.1 Nothing in the Agreement excludes or limits our liability for any matter that cannot be excluded or limited under Applicable Law.

7.3.2 Subject to clause 7.3.1, we will not be liable to you for any loss:

- (a) which arises as a result of:

For the avoidance of doubt, we will not be liable for any loss of profit or opportunity howsoever arising.

7.3.3 We are not responsible for any delays, delivery failures, or failures in transmission of any Order or any other communication or any other loss or damage resulting from the transfer of data over mobile or other communications networks and facilities outside of our control.

- 7.3.4 Any features (including charts), market data or third party content available on our Website, Platform or e-mails are provided on an “as is” and “if available” basis. We and our third party providers have taken steps to ensure their accuracy and completeness but exclude any warranties, undertakings or representations (either express or implied) related to them to the full extent permitted under Applicable Law, including but not limited to:

 - (vii) you will use market data, features or information solely in compliance with Applicable Law; and
 - (b) the information contained in the features or third party content is indicative and may be out of date at any given time. All analysis, resulting conclusions and observations are based upon past performance, patterns and data and will not necessarily reflect future performance.
- 7.3.5 For the avoidance of doubt, our third party providers are not responsible for and have not participated in the determination of our Prices and they exclude all warranties, undertakings or representations (either express or implied) relating to your use of our Platform, our Website or the Elements. Without limiting the foregoing, in no event whatsoever shall our third party providers be liable for any loss, regardless of whether they are aware of such loss and whether such liability is based on breach of contract, tort or otherwise.
- 7.3.6 Save in the event of our negligence, wilful default or fraud, we will not be liable for any loss or damage caused by a distributed denial-of-service attack, viruses or other technologically harmful material that may infect your computer equipment, computer programs, data or other proprietary material due to your use of our Platform or Website or to your downloading of any material posted on it, or on any website (including our Website) linked to it.
- 7.3.7 Unless expressly stated otherwise in these Terms, we are not responsible for reminding you or alerting you to any obligation or liability that you may have under the Agreement. Where we do make or provide any such reminders or alerts to you, this is done entirely at our sole discretion and does not represent any obligation or commitment on our part to make or provide any such reminders or alerts to you in the future.

8. OUR RIGHTS IN CERTAIN CIRCUMSTANCES

8.1 Specified Event.

- 8.1.1 Should a Specified Event occur, be likely to occur, or when we become aware of a Specified Event, we may take a Reserved Action (see clause 8.3).

8.2 Circumstances Outside Our Control.

- 8.2.1 Any failure by us to perform our obligations under the Agreement caused by a Circumstance Outside Our Control will not be a breach of the Agreement.

- 8.2.2 If we determine that there is a Circumstance Outside Our Control, we will give you notice of this as soon as it is reasonably practicable and in accordance with Applicable Law. We will endeavour to resume our provision of our Platform, services and/or performance of our obligations under the Agreement as soon as reasonably possible. We may take an appropriate Reserved Action and/or take action in relation to any Pricing Error.

- 8.2.3 Where we are able to resume provision of our Platform, services and/or performance of our other obligations under the Agreement following a Circumstance Outside Our Control:

- (a) the value of any Trade held immediately before the Circumstance Outside Our Control that remains open will be determined by the Price as at the time we are able to resume our provision of our Platform and/or services;
- (b) we may act on any instructions to transmit any Order in relation to a Trade received immediately before the Circumstance Outside Our Control, provided it is possible to do so; and
- (c) you are responsible for re-instating or cancelling any Orders affected by a Circumstance Outside Our Control.

8.3 Reserved Actions.

- 8.3.1 If we are required to do so under Applicable Law, or a Specified Event or Circumstance Outside Our Control occurs or is likely to occur, or we have valid reasons for doing so, we may in our sole discretion take any action, including any Reserved Action.
- 8.3.2 If we have taken or decide to take any Reserved Action then we will attempt to notify you of this as soon as reasonably practicable, unless Applicable Law prevents us from doing so. When taking any Reserved Action, we may, in our sole discretion, take into account any prior instructions you have provided to our client management team.
- 8.4 Corporate Actions, Adjustment Events and Insolvency.**
- 8.4.1 A Corporate Action or Adjustment Event may occur in relation to a Product. If a Corporate Action or Adjustment Event occurs, we may, but are not obliged to, take appropriate action (in our reasonable opinion) to:
- (a) replicate this in your Order or Trade, including but not limited to suspending the Product;
 - (b) adjust and/or cancel your Orders;
 - (c) reflect any action taken by counterparties to trades in respect of such underlying assets of the Product that we have entered into in order to hedge or offset our exposure to you;
 - (d) preserve the economic equivalent of your Order or CFD Margin Trade immediately prior to the Corporate Action or Adjustment Event, which may have consequences on your Order or CFD Margin Trade; or
 - (e) take a Reserved Action.
- 8.4.2 Subject to clause 9.4.1, we will give you notice of any applicable action that we decide to take as soon as reasonably practicable, which for the avoidance of doubt may be after the relevant Corporate Action or Adjustment Event or after the relevant action which we may take in our discretion under this clause 8.4.
- 8.4.3 If the Price of the underlying asset that a Product is based upon is suspended, we may, in our sole discretion, close any CFD Margin Trades in that Product at a Price that is fair and reasonable. Such Price may be different for a buy and sell CFD Margin Trade and may be at a Price of zero (0). We will notify you of the date and Price at which such CFD Margin Trade will be closed. We reserve the right to request additional Margin and/or any reasonably foreseeable associated costs incurred by CMC Markets (or any of our Associates) in connection with any suspension or likely suspension of a Product or the relevant underlying asset of a Product. We may in our reasonable discretion also refuse or delay giving effect to your request for a withdrawal of money from your Account in connection with any suspension or likely suspension of a Product or the relevant underlying asset of the Product.
- 8.4.4 If an issuer, whose securities form the basis of a Product, becomes insolvent or similar, all CFD Margin Trades on that Product may be closed by us, generally at a Price of zero (0). If you have a CFD Margin Trade on any such Product, we shall provide you with notice of this.
- 8.4.5 We will not be liable to you for any loss suffered as a result of our failure to notify you of a Corporate Action or Adjustment Event, or due to any other act or omission in relation to Corporate Actions or Adjustment Events.
- 8.4.6 If a Corporate Action or Adjustment Event requires us to report or disclose information relating to you to the BaFin and/or any other organisation involved with the Corporate Action or Adjustment Event, you consent to us doing so, without any notice to you. Where we require further information from you, you must provide us with the necessary information by the deadline we give. If we are not satisfied that the information you have provided meets the applicable requirements, you may not be able to take part in the Corporate Action or Adjustment Event.

9. AMENDMENTS AND TERMINATION

9.1 Amendments to the Agreement in general.

- 9.1.1 We may amend any part of the Agreement at any time by giving you notice, subject to clause 9.1.2.
- 9.1.2 Subject to any agreement we have made with you, any amendments to the Agreement that we give you notice of will take effect on the date specified in our notice to you, which will be at least ten (10) Business Days after we send our notice to you. We may give you less than ten (10) Business Days' notice if the amendments to the Agreement are required in order to comply with Applicable Law, where changes are not materially detrimental to you in our reasonable opinion or where you expressly accept amendments in writing at our request. If you do not accept the amendment, you will be free to close your Account and/or terminate the Agreement in accordance with clause 9.5 before the amendment takes effect.

9.2 Amendments to Margin Rates, Margin requirements, Commission, Close-Out Level, Reset Level and other costs.

- 9.2.1 We may make amendments to the Margin Rate and/or Margin requirements at any time and without notice to you.
- 9.2.2 We may from time to time make amendments to the Commission, Close-Out Level, Reset Level and other costs. We will, where possible, provide you with:
- (a) three (3) Business Days' notice of increases to Commissions;
 - (b) ten (10) Business Days' notice of amendments to the Close-Out Level and/or Reset Level; and

(c) three (3) Business Days' notice for the imposition of, or changes to, other costs,

but we reserve the right to make any amendment under this clause 9.2.2 on shorter notice or without any notice, where it is reasonable to do so, including where such amendment is not detrimental to you in our reasonable opinion. For the avoidance of doubt, we are not obliged to provide you with any notice under this clause 9.2.2 if your Account is not impacted by the amendments specified in this clause 9.2.2.

9.2.3 Following any amendment to Margin Rates, other Margin requirements, Commissions, Close-Out Level, Reset Level and/or other costs, it is your responsibility to ensure that you have sufficient Account Value and/or sufficient Cash and/or reduce your Positions to satisfy your obligations to us under the Agreement. Any failure to do so may result in Account Close-Out.

9.3 Amendments to Prices, Rates, GSLO Premiums and other Attributes.

9.3.1 We will amend Prices, Rates, GSLO Premiums (if applicable) and Attributes through our Platform in real time and such amendments will take effect immediately as and when they are made, even if they are not displayed on the device that you use to access our Platform. These amendments will apply to any existing Trades and Pending Orders. It is your responsibility to ensure that you have sufficient Account Value and/or reduce your Positions to satisfy your obligations to us under the Agreement. We may make changes to the way the Price of a Product is calculated and such amendments will take effect immediately as and when they are made.

9.3.2 Where we notify you of a change to a limit in relation to an Attribute, you may be required to close any affected Trades within one (1) Business Day.

9.4 Removal of Products.

9.4.1 We may, at any time and in our sole discretion, remove any Products from our Platform and/or remove your ability to place Trades on a particular Product. If you have a Trade in any relevant Product being removed, we will use reasonable endeavours to provide you with at least ten (10) Business Days' notice in which to close any Trade that you may hold on such a Product. However, we reserve the right to provide a shorter notice period or no notice at all including in the event of a Circumstance Outside Our Control, Corporate Action or Adjustment Event.

9.4.2 It is your responsibility to cancel any Pending Orders and close any Trades in respect of a Product that is being removed in accordance with clause 9.4.1 at the time and in the manner specified in the notice. If you do not do this, we will do so.

9.4.3 Subject to clause 9.4.2, we may set any Product that is being removed in accordance with clause 9.4.1 to Reduce Only.

9.5 Closing your Account or terminating the Agreement.

9.5.1 You may (subject to the condition precedent that no notice designating an Early Termination Date has been given by us) close any Account through our Platform or by giving us notice in writing which will usually take effect up to one (1) Business Day after it is received by us. If you do not cancel any Pending Orders, close any Trades on the Account or withdraw any money due to you before giving us such notice of termination, we will cancel any Pending Orders and close any Trades as soon as possible after we receive your notice and then (subject to clause 5.2.10) attempt to return any money due to you, but there may be a delay in doing so.

9.5.2 We may close any Account by giving you notice in writing. Subject to clause 9.5.3, this will take effect on the date specified in such notice being no less than ten (10) Business Days after the date of the notice. Unless our notice of termination specifies otherwise and/or we have set the Account to Unauthorised To Trade, you will be allowed to cancel any Pending Orders and/or close any Trades during the time between: (i) when we give you the notice; and (ii) when the Account is due to close in accordance with the notice. If you do not do this or giving you notice is not possible, we will cancel any Pending Orders and close any Trades on the Account and then attempt to return any money due to you.

9.5.3 If we have serious grounds or valid reasons for doing so, we may terminate the Agreement with less than ten (10) Business Days' notice, including immediately. We will cancel any Pending Orders or set an Account to Reduce Only or Unauthorised To Trade and close any Trades on the Account at the time and in the manner specified in the notice.

9.5.4 Unless otherwise agreed, the Agreement will automatically terminate following the closure of all of your Accounts by you or us. When you or we close an Account and/or the Agreement terminates we may exercise any right that we have under clause 5.4 to make a Deduction or under clause 5.5 to Set-Off.

SCHEDULE 1 – TERMS FOR CFD MARGIN TRADES

This Schedule 1 sets out terms that apply specifically to investing in our CFD Margin Trades on an Account.

Risk Warning Notice

Our Products can carry a high risk to your capital as Prices may move rapidly against you, particularly during volatile market conditions. Certain Products are more volatile than others and may be even more susceptible to sharp and sudden movements in Price. When entering into CFD Margin Trades you can lose more than your investment and you may be required to make further payments. The higher the leverage involved in a CFD Margin Trade, the higher the risks involved.

When you enter into any CFD Margin Trade with us, you will be entering into an over-the-counter (OTC) contract, which is non-transferable. This means that you will enter into CFD Margin Trades directly with us and that CFD Margin Trades can only be closed with us. In certain circumstances it may not be possible to open or close CFD Margin Trades, if our Platform and/or our client management team is not in a position to accept Orders from you and to execute them. You can only profit from our CFD Margin Trades through changes in our Prices, which may not be identical to prices for similar financial instruments or the relevant underlying instrument. A CFD Margin Trade will not entitle you or us to any rights in relation to the underlying asset of that CFD Margin Trade.

It is your responsibility to monitor your Positions and your Account Revaluation Amount closely. Our Platform and/or our client management team will attempt to notify you when your Account Revaluation Amount reaches a specific level, although you should not rely on this. To prevent Account Close-Out, you should keep an amount in your Account that allows sufficient headroom to keep your Positions open in case of sudden changes to the required Margin amount resulting from Price movements.

1. CFD Margin Trades.

1.1 A CFD Margin Trade is a cash-settled contract which seeks to track an investment in the relevant underlying asset without the usual costs and rights associated with an investment in that underlying asset. However, other costs and rights will apply to a CFD Margin Trade. A CFD Margin Trade will not entitle you or us to any rights in relation to the underlying asset of that CFD Margin Trade. All CFD Margin Trades shall be entered into between you and us on a principal-to-principal basis.

2. Products.

2.1 The Products available may vary depending on the Account type and/or feature. Please see the Platform for details of which Products are available. You will be able to access relevant information on each Product, including its Attributes, through the Product Library.

2.2 You may only enter into or close CFD Margin Trades via our Platform and/or through our client management team during the Trading Hours specified in the Product Library for the relevant Product. It is your responsibility to monitor the Trading Hours as specified in the Product Library. Some but not all types of Orders may be submitted through our Platform and/or our client management team outside of the Trading Hours for the relevant Product.

3. Prices.

3.1 During the Trading Hours for any Product, our Platform will generate Prices and Price Depth subject to clauses 4.2.1, 8.2, 8.3 and 8.4 and you acknowledge that these Prices may differ at any time to those displayed on your device.

3.2 The Price at which an Order will be executed may be less favourable to you than the Price displayed on our Platform and/or provided to you by our client management team when you place the Order and you are responsible for checking the Price at which an Order may have been executed.

4. Orders.

4.1 To enter into a CFD Margin Trade, you must place an Order on our Platform that identifies the Product and provides the information requested on our Platform in relation to that Product. The types of Order available to you in respect of a particular Product and the details of when those Orders might be placed or modified will be set out on our Website and further specified on our Platform.

4.2 An Order will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order. Placing an Order does not guarantee that a CFD Margin Trade will be entered into as we reserve the right to reject your Order without any explanation. A record of any executed or rejected Orders can be accessed through our Platform.

4.3 You must contact our client management team to enter into an Order for a Manual Product. You must specify the required information so that our client management team can execute your Order for a Manual Product. An Order for a Manual Product will be entered into when executed by the client management team.

4.4 Subject to the provisions of this Schedule 1, you and/or we may modify or cancel any Pending Order at any point until that Order has been executed. An Order for a Manual Product may only be modified or cancelled through our client management team.

4.5 If your Account has insufficient Available Equity to meet the relevant Margin requirements for an Order, we will not execute that Order.

- 4.6 In respect of a Roll-Over, it is your responsibility to ensure that the Account has sufficient Available Equity to meet the relevant Margin requirements. Certain Products are subject to Auto Roll-Over and further details on these procedures, including circumstances where Auto Roll-Over may be disabled, are provided on our Platform.
- 4.7 Our Platform may combine and net your CFD Margin Trades open at the same time in respect of the same Product. Further details on netting, including how to disable it in relation to your Account, can be found on our Platform and/or through our client management team.
- 4.8 Unless our client management team agrees otherwise, we will not execute your Order in relation to a CFD Margin Trade if your Account has insufficient Available Equity to meet the relevant Margin requirements for that Order.
- 5. Margin.**
- 5.1 We will apply a variety of Margin requirements to any CFD Margin Trade you place on our Platform which you are required to meet in order to place that CFD Margin Trade. We provide detailed information on our Platform regarding these Margin requirements.
- 5.2 The Margin requirements in respect of any CFD Margin Trade may fluctuate and you may incur losses from any CFD Margin Trade that exceed the Margin you have provided to us for your Positions.
- 6. Closing CFD Margin Trades.**
- 6.1 Details on how to close CFD Margin Trades, as well as details of those circumstances where we may close CFD Margin Trades, are provided on our Platform. You should take sufficient time to read this information before you place any Order in respect of any CFD Margin Trade. An Order for a Manual Product may only be closed through our client management team.
- 7. Risk Management.**
- 7.1 You may set a variety of risk management options in respect of a CFD Margin Trade at any time via the Platform. Further information on the types of risk management options are available on our Platform.
Limits and restrictions on your CFD Margin Trades.
- 7.2 We will set various limits and restrictions in relation to your CFD Margin Trades and it is your responsibility to ensure that you know what all the current limits and restrictions are before placing or modifying any Order to open a CFD Margin Trade by checking the information available on the Platform. Any restriction applicable to an Account will apply across all Accounts that you hold with CMC Markets.
- 7.3 If, at the time an Order would otherwise be executed, the execution of that Order would result in a breach of a limit relevant for that type of Order, the Order will be automatically rejected.
- 7.4 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by our Platform.
- 7.5 In addition, an Account may be subject to a limit restricting the number of CFD Margin Trades, Positions and/or Pending Orders that could result from opening a new Position or CFD Margin Trade on the Account at any time. This limit is set by us in our sole discretion. We are entitled to vary such a limit at any time in accordance with clause 9.3 and it is your responsibility to ensure that you know what the current limit is before entering into any new Position or CFD Margin Trade, or placing a new Pending Order by checking the information available on the Platform.
- 8. Profit and Loss.**
- 8.1 Details of the Unrealised Profit Or Loss (and its relationship to Realised Profit or Realised Loss) for any individual CFD Margin Trade are provided via the Platform. The Platform will set off any unrealised profits against any unrealised losses on all CFD Margin Trades on your Account.
- 8.2 The Unrealised Profit Or Loss displayed on our Platform at any time may not accurately reflect the Realised Profit or Realised Loss that would be gained or incurred if you closed one or all of your CFD Margin Trades immediately.
- 8.3 Any Realised Loss will become due and payable immediately.
- 9. Account Close-Out.**
- 9.1 You must ensure that for each Account your Account Revaluation Amount is at all times above the applicable Close-Out Level (including any Prime Close-Out Level if applicable) for your Account displayed on our Platform. Where your Account Revaluation Amount is less than the applicable Close-Out Level, we may initiate Account Close-Out. Where your Account is subject to manual Account Close-Out, the client management team will (as it sees fit in its sole discretion) close all or a portion of your CFD Margin Trades within the applicable Trading Hours and where trading is not otherwise suspended. Where your Account is subject to automatic Account Close-Out, the Platform may initiate Account Close-Out in accordance with your Account settings. Non-GSLO CFD Margin Trades may be closed before GSLO CFD Margin Trades. Further details on the applicable Close-Out Level for your Account, and the methods of Account Close-Out, can be found on our Platform or by contacting the client management team.
- 9.2 Where you have open CFD Margin Trades relating to Manual Products, if we have carried out an Account Close-Out and your Account Revaluation Amount is still at or below the Close-Out Level (including any Prime Close-Out Level if applicable), the client management team will (as it sees fit in its sole discretion)

manually close all or a portion of the CFD Margin Trades relating to Manual Products within the applicable Trading Hours and where trading is not otherwise suspended.

- 7.4 Where the acceptance of a Pending Order or modification of an existing Pending Order would result in a breach of a relevant limit, the relevant Order or modification will be rejected by our Platform.
- 7.5 In addition, an Account may be subject to a limit restricting the number of Rolling Spot FX Contracts, Positions and/or Pending Orders that could result from opening a new Position or Rolling Spot FX Contract on the Account at any time. This Schedule 3 sets out the agreement between us to provide for the transfer of variation margin in relation to Trades in accordance with EMIR and will be applicable to you if you are a financial counterparty or non-financial counterparty subject to a clearing obligation pursuant to EMIR or if you would be subject to a clearing obligation if you were within the scope of EMIR.

1. Variation Margin Agreement.

- 1.1 On each Business Day, we shall determine whether a Delivery Requirement exists. You agree that we shall be deemed to have complied with this provision by determining and providing details of Unrealised Profit Or Loss via the Platform.
- 1.2 If on any Business Day a Delivery Requirement exists, we shall transfer to you an amount of cash in EUR equal to such Delivery Requirement no later than the Business Day following the date on which the Delivery Requirement is determined; provided, however, that we shall be under no such obligation to make such a transfer if such Delivery Requirement is less than EUR 500,000 or its equivalent in any other currency. We shall use reasonable endeavours to notify you prior to making any transfer pursuant to this paragraph.
- 1.3 Any transfer pursuant to paragraph 1.2 above shall be to the bank account that you register with us pursuant to clause 5.2.9.
- 1.4 Notwithstanding the above, you may on any Business Day transfer or maintain cash in EUR to your Account to satisfy any Margin requirements or otherwise to provide that amounts in the Account are in excess of any actual or potential Margin requirements.
- 1.5 If an amount is payable pursuant to this Schedule 3 on any day on which you wish to transfer or maintain cash to your Account as contemplated in paragraph 1.4 above, then at your election and as notified to us, each party's obligation to make the relevant payment shall be subject to the netting provision in clause 5.6.

If the Relationship Managers fail to resolve the Variation Margin Dispute at the Resolution Meeting, either party may commence court proceedings.
- 2.6 Each party is responsible for complying with any requirement under EMIR, the Delegated Regulation or any other applicable regulation to notify its relevant supervisory authorities of any Variation Margin Dispute.
- 2.7 If, in relation to a Variation Margin Dispute, a party breaches any provision in paragraphs 2.1 to and including 2.10 of this Schedule 3, the other party does need not comply with paragraphs 2.1 to and including 2.10 of this Schedule 3 in relation to that Variation Margin Dispute.
- 2.8 Except where paragraphs 2.1 to and including 2.10 of this Schedule 3 provide otherwise, the parties must continue to perform their respective obligations under the Agreement pending the resolution of a Variation Margin Dispute.

- 1.15 We may, in our sole discretion, refuse to execute an Order or cancel any API Trades including where we have grounds for suspecting that: (i) you have breached or will breach this Agreement; or (ii) such Orders or API Trades are considered to be creating an unfair trading advantage, unfair trading conditions or constitute abusive trading practices.

Trade confirmations.

- 1.16 If this Additional Service is provided, we shall provide confirmation of a Trade placed by you via an API (each a “Confirmation”).
- 1.17 You shall be deemed to have accepted a Confirmation as accurate and complete unless you inform us otherwise in writing by the end of the Business Day following the day on which you received such Confirmation.

2. Audit.

- 2.3 We shall each bear our own respective costs and expenses incurred in respect of compliance with our obligations under paragraphs 2.1 and 2.2 of this Schedule 4, unless the audit in question identifies a breach of the Agreement by you, in which case you shall reimburse us for all costs and expenses incurred in the course of such audit.

- 3.2 We may pay you a rebate based on your trading activity via the API, such amount to be as agreed between us from time to time in writing.
- 3.3 Each party shall be responsible for its own expenses in establishing and maintaining the API connection.
- 3.4 In the event of interruption with the API (including the loss of connection), we shall not be responsible for non-performance of the Additional Service(s). For the avoidance of doubt, we shall not be required to execute API Trades which have not been received for any reason.
