1. INTRODUCTION

Investing in derivatives, such as CFDs, Option CFDs, or other financial derivative instruments, carries a high level of risk to your capital, and you may lose all of the money you invest. As such, our Products will not be appropriate for all investors. The Prices of our Products may change to your disadvantage very quickly. Investment success in the past does not guarantee any success in the future. Trading of Products that involve leverage may result in losses exceeding your deposited funds, and you may be required to make further payments. Therefore, you should ensure that you understand the risks involved and seek independent, financial and professional advice if necessary. More details about the risks of trading our Products are contained in the Risk Warning Notice and other relevant documents on our Website.

1.1 Our agreement with you.

- 1.1.1 This document (referred to as the “**Terms of Business**”) is part of a wider agreement between you (also referred to as “**our client**”, “**your**” and “**you**”) and CMC Markets Singapore Pte. Ltd. (also referred to as “**CMC Markets**”, “**we**”, “**us**” and “**our**”) in relation to your activities carried on with us.
- 1.1.2 Capitalised words in these Terms of Business, the Risk Warning Notice, and the Order Execution Policy have a special meaning which are explained in the Definitions section in Schedule 2.
- 1.1.3 Our agreement with you consists of these Terms of Business, our Order Execution Policy, our Risk Warning Notice, and any specific terms and conditions you accept in writing in relation to your Account or on the Platform (the “**Agreement**”). These documents are available on our Website, through our Platform or otherwise by requesting them in writing. In accordance with clause 9, we will notify you of any changes to the Agreement. You must ensure that you keep informed of these changes. If we agree to provide you with our sales trader service, we will provide confirmation in writing. Any additional terms offered by us in writing and agreed by you in writing in relation to that service will form part of the Agreement.
- 1.1.4 There are additional documents and information available to you on our Website and through our Platform which contain useful information but are not part of the Agreement. These include our Privacy and Security Policy, our Complaints Procedure and disclosure of fees.
- 1.1.5 For your own benefit and protection, you should take sufficient time to read the Agreement, as well as the additional documents and information available on our Website and through our Platform, before you apply to open an Account and/or place any Order. If you do not understand any aspect of this Agreement, you should contact us before opening an Account, or seek independent professional advice.
- 1.1.6 This Agreement contains all the terms and conditions that govern our relationship and your activities carried on with us on or in relation to the Platform and supersedes any prior oral or written representations and/or agreements between you and us which relate to our Platform.

1.2 English language prevails.

- 1.2.1 The Agreement and all communications between us and you in relation to it will be in English. Accordingly, you confirm that you have proper knowledge and full understanding of the English language. The Platform, including its features and information within it, will be provided in English by default. However, you may be able to select another language for the Platform, its features and information or we may, at your request, agree with you to communicate with you in a language other than English. You should only select another

language if you possess proper knowledge and full understanding of that language. If you select another language, you do so entirely at your own risk and you acknowledge and understand that non-English language support may not be available at all times. Any translation provided by CMC Markets is for convenience only and CMC Markets will not be liable to you for any loss you may incur, either directly or indirectly, arising from or in connection with reliance upon any such translations. To the extent there is a conflict between the English version and any translation, the English version shall prevail.

2. REGULATORY MATTERS

2.1 Our regulatory status.

2.1.1 CMC Markets has its registered office at the address published in the contact section of our Website (as may be updated by us from time to time without notice to you), and is regulated by the Monetary Authority of Singapore ("MAS")(www.mas.gov.sg). CMC Markets is not regulated by MAS in respect of dealing in CFDs on commodities or CFDs on any other underlying instruments where such CFDs are not subject to regulation under the Securities and Futures Act 2001 of Singapore (as amended or updated from time to time). Please note that if you are outside Singapore, you may have no recourse to the regulators in your country. You may wish to seek external advice prior to opening an Account with us.

2.2 Client categorisation.

2.2.1 We will treat you as a retail client for the purposes of Applicable Law, unless we have informed you otherwise in writing. If we have categorised you as an accredited, institutional, or expert investor client (whether or not at your request), you should be aware that you will not be entitled to certain protections afforded to retail clients under the Applicable Law. You have the right to request a different client categorisation in so far as and to the extent you are able to satisfy the relevant requirements prescribed under the Applicable Law.

2.3 Transaction reporting.

2.3.1 Where we are required under Applicable Law to report transactions with you to the MAS or otherwise, you will need to obtain and provide us with a valid unique entity number, your national registration identity card number or such other information as we may require to determine your national client identifier, before you can place Orders via our Platform or through our client management team.

2.4 Non-advised dealing.

2.4.1 All CFD Margin Trades, Option CFDs, and Countdowns will be entered into on a principal-to-principal, non-advised and execution only basis. This means we will be the counterparty to your CFD Margin Trades, Option CFDs and Countdowns. Accordingly, unless we agree otherwise in writing, neither you nor we can act as agent, attorney, trustee or representative for any other person. Other than an Authorised Person appointed in relation to an Account in accordance with clause 3.3.1, you will not permit any person to deal with us on your behalf.

2.4.2 We shall deal with you on an order execution-only basis at all times. This means that we shall not provide you with any advice or recommendation on the merits or suitability of you entering into this Agreement or any particular CFD Margin Trade, Option CFD, or Countdown. No investment advice or recommendation will be provided by CMC Markets regarding trading or investing in any CFD Margin Trade, Option CFD, or Countdown. All trading decisions are made by you and are done so in reliance solely on your own judgment and at your own risk. You must seek independent professional advice where necessary. It is your responsibility to be aware of all terms, conditions, rules and regulations that govern a market, an underlying asset of a Product, a CFD Margin Trade, Option CFD, or Countdown.

2.4.3 We do not provide investment, financial, legal, tax, regulatory or similar advice. Any information or other features (including charts) provided to you must not be treated as advice that is suitable for you or as advice that is based on a consideration of your personal circumstances. We are not responsible for any investment decisions that you make.

2.4.4 You acknowledge and agree that information provided by CMC Markets or its employees, agents or representatives about such things as:

- (a) the over-the-counter derivatives market and its characteristics;
- (b) the operation of your Account or the terms and conditions of this Agreement;
- (c) the entry and execution of Orders;
- (d) the terms and conditions of CFD Margin Trades, Option CFDs and/or Countdowns;
- (e) the types of Orders that can be entered through the Platform;
- (f) the Currency Conversion Rate, market trends, Prices, or interest rates; or
- (g) different types of trading strategies used by market participants,

does not constitute a recommendation, solicitation, endorsement, or advice relating to any Order.

2.4.5 All opinions, news, research, analysis, Prices or other information sent by e-mail or contained on the Platform, the Website or transmitted via social media or external third-party research that is distributed are provided as general market commentary and do not constitute investment advice.

2.4.6 The information you provide on the application form is used by us to screen clients as part of the Account opening process and is not used to determine your general investment needs and objectives.

2.5 Complaints and disputes.

- 2.5.1 We maintain a “**Complaints Procedure**”, which can be accessed on our Website. You agree that we will investigate any complaints received in accordance with our Complaints Procedure. Following our investigation of any complaint or dispute, we will use reasonable endeavours to notify you of the results of our investigation as soon as is reasonably practicable.
- 2.5.2 In accordance with clause 1.2, we will respond to any communication, complaint, claim or dispute in English.
- 2.5.3 If, having gone through our Complaints Procedure, you are dissatisfied with our handling and/or findings in relation to your complain or dispute, then depending on your eligibility, status and the circumstances of your claim, you may refer the matter to the Financial Industry Disputes Resolution Centre Ltd (“**FIDReC**”), 36 Robinson Road, #15-01, Singapore 068877 (www.fidrec.com.sg) or at such other office as FIDReC may publish from time to time.

2.6 Order execution, conflicts of interest, risk warnings and Price sources.

- 2.6.1 We, or our Associates, may have an interest or relationship which conflicts with your interests or our duties to you. We will take reasonable steps to identify and prevent or manage all material conflicts of interests that are reasonably foreseeable.
- 2.6.2 We enter into all CFD Margin Trades, Option CFDs, and Countdowns with you using Prices quoted by us through our Platform or through our client management team. Our Prices are not identical to prices for similar financial instruments or their underlyings quoted on a Trading Venue or by other providers. By entering into CFD Margin Trades, Option CFDs, and/or Countdowns via our Platform or through our client management team you consent to your Orders being executed outside of a Trading Venue and in accordance with our Order Execution Policy.
- 2.6.3 We may, in our sole discretion, from time to time accept instructions including instructions to agree to execute Orders we receive via e-mail or other electronic messaging system. We have no obligation to accept, all or any part of an instruction via e-mail or electronic messaging system. You authorise us to act on any instruction or Order given or appearing in our reasonable opinion to have been given by you through e-mail or other electronic messaging system. Without limitation of the foregoing, we have no responsibility for, nor from any Loss arising from, transmissions that are inaccurate or not received by us, and we may execute any Order on the terms received by us without requirement to seek further confirmation. Any acceptance of such instructions shall not create any precedent on the part of CMC Markets. We may ask you to agree to additional written terms relating to this clause.

2.7 Duration of the Agreement and your rights to cancel.

- 2.7.1 The Agreement will become legally binding between you and us on the date that we confirm, in writing, that we have accepted your application to open an Account. Subject to clause 2.7.2, you may cancel the Agreement by giving us notice in writing within fourteen (14) calendar days of this date. Following a valid notice of cancellation, we will return any money that you have transferred to us.
- 2.7.2 Notwithstanding clause 2.7.1, you will not have the right to cancel this Agreement within fourteen (14) calendar days of your Account opening if you have, in this period, entered into any CFD Margin Trades, Option CFDs or Countdowns. You may, however, still close your CFD Margin Trades, Option CFDs, and your Account in accordance with the Agreement.

3. ACCOUNTS

3.1 Account types, features, and promotions.

- 3.1.1 We offer different Account types, features and promotions. Depending on your knowledge and experience or client categorisation, some of these may not be available to you. We reserve the right to convert your Account type and/or enable/disable (as applicable) Account features if, in our sole discretion, we determine that a different Account type/feature (as applicable) is more appropriate for you or if otherwise required by Applicable Law. We may withdraw or amend any promotions, rebates, discounts or similar offers at any time without prior notice and in our sole discretion.

3.2 Account opening process.

- 3.2.1 When we receive your completed application form, we may use the information provided to conduct any further enquiries about you and other individuals referred to in the application form (if applicable) as we (in our sole discretion) determine are necessary or appropriate in the circumstances. Where applicable, you confirm that you are fully authorised to provide the personal details of the other individuals referred to in the application form. You should provide us with information about any relevant factor that could affect your trading activities with CMC Markets. Where our enquiries include searches with credit reference agencies, they may appear on your, or the other individuals', credit history. We may also carry out any additional checks or periodic reviews that we (in our sole discretion) determine are necessary or appropriate in the circumstances. You will need to co-operate with us and promptly supply any information that we request.
- 3.2.2 We rely on the information that you provide us in the Account opening process or otherwise as being correct and not misleading at all times, unless you notify us otherwise in writing. We may use any information we have about you to make an assessment of whether or not investing in CFD Margin Trades, Option CFDs, and/or Countdowns and/or operating an Account with us is appropriate for you. You must notify us as soon as possible in writing if any of the details provided to us in the Account opening process have changed or if your circumstances have subsequently changed, including if you wish to exclude yourself from trading. If

you do not provide sufficient information for this assessment, we may be unable to offer you an Account with us. You authorise us to make any inquiry (with third parties or otherwise) to verify information. We reserve the right to periodically request additional and up-to-date information and/or data from you, in order to ensure that our records are up to date. This does not negate your responsibility to ensure that you advise us, in a timely manner, of all changes to your personal situation.

3.3 Authorised Persons.

- 3.3.1 If you want to appoint an attorney or agent, you must notify us in writing of any person (who is 18 years of age or older) who is authorised to act on your behalf in relation to this Agreement (an “**Authorised Person**”). You and/or the Authorised Person will be required to complete such further documentation as we may reasonably require. We may require evidence that the Authorised Person has authority and is appropriate to act on your behalf.
- 3.3.2 We may revoke or reject the appointment of an Authorised Person if we know or reasonably suspect that such appointment could result in a breach of the Agreement and/or Applicable Law. You must immediately notify us in writing of any changes to the appointment and/or authority of any Authorised Person.
- 3.3.3 We shall be entitled to rely and act upon any instructions of, or Orders transmitted by, any Authorised Person or any person who reasonably appears or purports to be an Authorised Person in relation to your Account, notwithstanding that the person is not, in fact, so authorised. Where you are a body corporate, unincorporated association, trust or partnership, it is your sole responsibility to ensure that your directors, officers or employees (as the case may be) have the authority as Authorised Persons to enter into CFD Margin Trades, Options CFDs and/or Countdowns with us.
- 3.3.4 Notwithstanding clause 3.3.3, we will not be under any duty to accept any instructions or Orders from such Authorised Person if we reasonably believe that the Authorised Person may be acting in excess of their authority. Any action taken by an Authorised Person appointed by you or any person who reasonably appears or purports to be an Authorised Person shall be deemed to be an action by you. Any information provided by us to an Authorised Person or any person who reasonably appears or purports to be an Authorised Person will be deemed to have been provided by us to you.
- 3.3.5 Where you have appointed an Authorised Person to act on your behalf and that person also acts on behalf of other clients of CMC Markets, then the Authorised Person may decide to place a single, aggregated Order with us in respect of a Product and allocate the Order amongst you and its other clients. We are not responsible for the aggregation and allocation of such Orders, and you should consult your Authorised Person for further information on any such Order aggregation or allocation.

3.4 Joint Accounts.

- 3.4.1 If you open a Joint Account:
- (a) references to you are references to any other person in whose name the Joint Account is held;
 - (b) each Joint Account Holder will have authority to act on behalf of all of the Joint Account Holders to deal with us as fully and completely as if each was the sole owner of the Joint Account, all without notice to the other Joint Account Holder(s) and you acknowledge and accept that CMC Markets may act and rely on the instruction of, or any information provided by, either Joint Account Holder without notice to or the consent of the other Joint Account Holder;
 - (c) we may exercise any of our rights or obligations under this Agreement against any person who is, or reasonably appears or purports to be, named on that Joint Account;
 - (d) each Joint Account Holder shall be jointly and severally liable for any financial obligations arising on their Joint Account. This means that any monies owed to us in relation to the Agreement shall be payable in full by anyone named on that Joint Account;
 - (e) the death of any Joint Account Holder will be a Specified Event and the surviving Joint Account Holder(s) must immediately notify such Specified Event to CMC Markets in writing. The estate of any deceased Joint Account Holder and each surviving Joint Account Holder will be liable, jointly and severally, to CMC Markets for any debt or loss in the Joint Account or upon liquidation of the Joint Account; and
 - (f) we may give any notice or communication to any one or all persons in whose names that Joint Account is held and any notice or communication, made to any one person, shall be deemed as having been made to all Joint Account Holders.
- 3.4.2 After a Joint Account has been opened, you cannot add or remove persons named on that Joint Account. If you wish to change the Joint Account Holders you must close the Joint Account and open a new one.
- 3.4.3 It is your responsibility to ensure that the details of all Joint Account Holders remain accurate and up to date.

3.5 Security and Account authentication.

- 3.5.1 You are responsible for setting and maintaining secure login credentials (including your own username, password and two-factor authentication credentials) in accordance with the instructions that we will provide to you, as well as keeping all information you hold in your Account confidential. You must notify us immediately if you know or suspect that any person has accessed or may access your Account, or any information you hold in your Account, without your permission. Unless you notify us otherwise under this

clause 3.5.1, we will treat any activity on or communication made from your Account as having been authorised by you or any Authorised Person and you may be liable for such activity or communication up to the point of notification. We will not be liable for any Losses caused by us acting on instructions, actions or omissions or other communications via your Account (except to the extent that such Loss cannot be excluded by Applicable Law). We may need to change or reset your password and we will notify you if we do this.

4. TRADING WITH US

4.1 Orders.

- 4.1.1 You hereby acknowledge and agree that we are authorized in our sole discretion to impose trading or Position limits or to close-out Positions with respect to your Account and the CFD Margin Trades and Positions held therein, in accordance with the Terms of Business. You agree not to place any Order that would have the effect of exceeding such Position limits. In addition to our rights to modify, cancel and/or reject your Orders, we may, in our sole discretion, refuse to accept any instructions, set a Product to Reduce Only and/or set an Account to Reduce Only or Unauthorised To Trade, for any reason whatsoever (even if not required to do so by Applicable Law).
- 4.1.2 Orders for Manual Products may only be placed, modified, rolled-over, cancelled or closed through our client management team. You will not be able to place, modify or take any other actions on Orders for Manual Products through the Platform.
- 4.1.3 If we have agreed to provide you with the sales trader service, you will be able to place Manual Orders through our client management team. Manual Orders may only be placed, modified, rolled-over, cancelled or closed through our client management team, and you will not be able to place, modify or take any other actions on Manual Orders through the Platform.
- 4.1.4 You must contact our client management team to (1) enter into an Order for a Manual Product or, (2) if we have agreed to provide you with the sales trader service, place a Manual Order. You must specify the required information so that our client management team can execute your Order for a Manual Product or Manual Order. The submission of instructions in respect of an Order for a Manual Product or a Manual Order does not constitute acceptance by us and does not create a binding Order for a Manual Product or Manual Order unless and until executed by the client management team.
- 4.1.5 You acknowledge that we may refuse to execute, or delay the execution of, any Order or instruction that is incomplete, unclear or inaccurate. Where any Order for a Manual Product or a Manual Order is ambiguous or inconsistent with any other Order, we shall be entitled to rely and act upon any Order in accordance with any reasonable interpretation thereof which our client management team believes in good faith to be the correct interpretation or refuse to act until a fresh Order is obtained.

4.2 Accessing our Platform.

- 4.2.1 We will use reasonable efforts to make our Platform and our client management team available when required by you, but we cannot guarantee that our Platform or our client management team will be available continuously. Subject to clause 7.3.2(b), we will not be liable to you for any Loss which arises as a result of our Platform and/or our client management team being unavailable.
- 4.2.2 You are solely responsible for making sure that you are able to access our Platform when you need to. This includes having access to a device that can connect to our Platform, maintaining the device so that it functions properly, safely and securely and having adequate, reliable and secure internet connectivity.
- 4.2.3 If you cannot access our Platform directly, then you should try to contact our client management team by telephone, mobile messaging application, or e-mail to request assistance. However, this is likely to be much slower than accessing our Platform directly and we cannot guarantee the availability of our client management team.
- 4.2.4 Where our Platform, Website, e-mails or any other content generated by us contains links to other websites and resources provided by third parties, these links are provided for information purposes only and do not constitute an endorsement. The information contained within such websites and resources are provided by third parties over whom we have no control. We accept no responsibility for them or for any Loss that may arise from your use of them.
- 4.2.5 Any analytics, modelling tools, automated functionality or artificial intelligence generated insights made available on our Platform or Website are also provided for informational purposes only and do not constitute as advice, a recommendation or a guarantee of performance. You remain solely responsible for all trading decisions and for monitoring your Positions and Account.
- 4.2.6 Where you use automated systems, algorithms, application programming interfaces or third-party software to access or interact with our Platform or Website, you do so at your own risk. We are not liable for any Loss arising from Errors, malfunctions, unintended Orders or other outcomes generated by such systems or software.

4.3 Information and reports about your trading activity and your Account.

- 4.3.1 We provide a range of information relating to your Account on and through our Platform, including the following:
- (a) once we have executed an Order on your behalf, we will make available to you the essential information concerning the execution of the Order in real time through the Platform; and

- (b) up-to-date statements of your Positions and any money held by us in respect of your Account as required under Applicable Law.
- 4.3.2 It is your sole responsibility to regularly access and review the information set out in clause 4.3.1 to ensure that it corresponds with your own records. Subject to clause 4.4, this information will be conclusive unless we notify you of any mistake, error or inaccuracy, or you notify us in writing of any mistake, error or inaccuracy and we agree with your notification.
- 4.3.3 Our Platform will update the information set out in clause 4.3.1 in real time during the relevant Trading Hours, as applicable. However, from time to time this may not happen immediately due to a Circumstance Outside Our Control (see clause 8.2).
- 4.3.4 We will retain certain information in relation to an Order, CFD Margin Trade, an Option CFD, and/or Countdown to the extent and for the duration required by Applicable Law (usually five (5) years from the date of the relevant Order, CFD Margin Trade, Option CFD, or Countdown) and/or as required for the establishment and defence of legal rights. Any access to such information is subject to our availability, systems and procedures at the relevant time and you may access this information through our Platform or upon request unless the relevant Account has been closed or the Agreement has been terminated. After this period, we may destroy this information or retain it for such further duration as we see fit in our sole discretion and without notice to you.
- 4.3.5 You agree and acknowledge that any applicable contract notes and statements and any other documents may be sent by us to you in electronic form and we shall not be obliged to send such contract notes, statements and any other documents that we may provide by post. You shall verify all such contract notes, statements and documents received from us and they will, in the absence of manifest errors, be conclusive and binding against you, unless you notify us in writing to the contrary within three (3) Business Days of receiving such contract notes, statements, documents (as applicable). We may, at any time rectify any error on any contract note, statement or document which has been proved to our satisfaction. You shall immediately notify us in writing if any contract note, statement, or any other document is not received by you in the ordinary course of business. We are not obligated to send any written notifications to you if after one attempt such notification has been returned or marked undeliverable.

4.4 Errors.

- 4.4.1 From time to time, material errors and omissions may occur in respect of your CFD Margin Trades, Option CFDs, Countdowns, your Account and/or our Platform (each an “**Error**”). Examples of Errors may include (without limitation): a Pricing Error, our Platform displaying incorrect Prices (whether caused by a third party supplier or due to a problem with our systems), an Order being handled incorrectly by our Platform and/or our client management team (including execution at an incorrect Price or contrary to underlying market conditions), or incorrect Deductions or credits being applied to your Account. Errors may also arise from or be caused by distributed ledger or blockchain networks, third-party data, pricing or liquidity feeds, cyber incidents, connectivity failures, latency, system upgrades, software defects, digital infrastructure or other technological malfunctions (whether within our systems or those of third parties), including emerging or future technologies.
- 4.4.2 If you or we know or suspect, or are aware of circumstances in which you or we ought reasonably to know or suspect, that an Error has occurred:
 - (a) as applicable, you must notify us or we will notify you as soon as reasonably practicable, which for the avoidance of doubt may be after an Error has occurred or after we become aware of it; and
 - (b) we will then use reasonable endeavours to investigate whether there has, in fact, been an Error and/or what caused it.
- 4.4.3 If we determine that an Error has occurred, this constitutes a Specified Event and the provisions of clauses 8.1 and 8.3 will apply. We may, but are not obliged to, inform you of any Reserved Actions we may take, or may have taken, in accordance with clause 8.3.2, and any such notification may be given after the relevant Reserved Action has been taken.
- 4.4.4 The occurrence of any Error shall not in and of itself constitute negligence, a breach of duty or any failure to exercise reasonable skill and care.

5. FINANCIAL MATTERS

5.1 Your money.

- 5.1.1 In accordance with Applicable Law and subject to clauses 5.1.2, 5.1.5, 5.1.6 and 5.1.8, we shall hold and maintain an amount equal to your Account Value for each Account you hold with us in a segregated client money bank account. Furthermore, you consent that we may maintain one or more segregated trust accounts with a custodian or financial institution outside Singapore, for the purpose of depositing any client money received in a foreign currency.
- 5.1.2 You consent that where we consider it appropriate to do so and in accordance with our regulatory permissions, we may from time to time hold client money in segregated client money bank accounts with fixed term deposits or notice periods and you irrevocably and unconditionally consent that all returns from the investment of your money held in any segregated client money bank account shall accrue to us. Such fixed term deposit accounts or notice periods will not affect your ability to deal with or withdraw your money in the ordinary course of business. However, there is a risk that, in exceptional circumstances, the longer

notice period could result in a delay in returning some or all of your money to you until the expiry of the relevant fixed term or notice period.

- 5.1.3 On each Business Day, we complete client money reconciliations based on our reports from the previous Business Day to establish the correct amount of money which should be held and segregated in our client money bank accounts in accordance with Applicable Law. Following the reconciliation, we segregate client money in our client money bank accounts for the previous Business Day.
- 5.1.4 If there has been no activity on your Account for a continuous period of one (1) year, we may impose dormant Account fees in accordance with clause 5.9.1 and make Deduction(s) from your Account in accordance with clause 5.5.1.
- 5.1.5 If there are no client monies held in your Account and there has been no activity on your Account for a continuous period of six (6) years, we will proceed to close your Account. If there is any client money held in your Account and there has been no activity on your Account for a continuous period of six (6) years, we will make reasonable attempts to contact you regarding any client money held in your Account. If we are unable to contact you within the first thirty (30) calendar days that follow a six (6) year inactivity period on your Account, the Account will be considered dormant and any unclaimed moneys will be kept in the client money bank account until such time the unclaimed moneys are claimed by you or your estate.
- 5.1.6 We do not accept responsibility for any Loss suffered by you as a result of you trading with money placed in or credited to your Account in error by us or on our behalf. We will be entitled at any time and in our sole discretion to deduct, without notice to or recourse by you, any money placed in or credited to your Account in error by us or on our behalf. If there is no balance left on your Account for CMC Markets to deduct any money placed in or credited in error by us or on our behalf to your Account, you agree to return any such outstanding sum to CMC Markets immediately on demand.
- 5.1.7 We have no obligation to pay interest to you on any money held on your behalf or otherwise under this Agreement, unless notified to you directly. Where eligible, any interest will be at a rate, paid in a manner and for such period that we determine in our sole discretion. You agree not to rely on any payment of interest by us to prevent an Account Close-Out, satisfy any Margin requirements or set-off any payment obligation that you may have under this Agreement. For further details including eligibility, please visit our Website or contact us.
- 5.1.8 As permitted by Applicable Law, we may agree with you that you do not require money which is transferred by you to us to be held in a segregated client money bank account. Any such agreement must be in our agreed form and signed by you. If such agreement is signed by you, you acknowledge and accept that:
- (a) we will acquire full ownership of all amounts received from you or credited by us to your Account;
 - (b) all amounts deposited with us should be for the purposes of securing or covering your present, future, actual, contingent or prospective obligations with us;
 - (c) such money does not constitute client money for the purposes of Applicable Law and may be used by us in the course of our business; and
 - (d) you will rank as a general creditor of us in respect of this money in the event of our insolvency.

5.2 Payments and withdrawals.

- 5.2.1 You are responsible for making any payments to us which are required under the Agreement. We may reject, in our sole discretion, any instruction for payment or withdrawal that is not made in accordance with our payment procedures (details of which are available on our Platform or from our client management team upon request). CMC Markets will not be responsible or liable to you for any fees you may incur in the event that we reject your payment or withdrawal.
- 5.2.2 When making payments to us, you may wish to ensure that your Account holds sufficient funds to exceed your applicable Margin requirements and to keep your Account Revaluation Amount above your total Margin requirements (if applicable), or the Amount required to keep the Account Revaluation Amount above the applicable Close-Out Level on any Account. You should consider your Positions, CFD Margin Trades, Option CFDs, Countdowns and Pending Orders, the volatility of the particular Product concerned and the relevant markets for the underlying asset, the time it will take for you to make further payments of cleared funds to us, and any other matter which you may think relevant.
- 5.2.3 Subject to clause 5.2.4, any payment made by you or on your behalf by certain Authorised Persons will only be given effect once our systems have credited it to the relevant Account and it is shown on our Platform. We cannot guarantee how long this process will take and, subject to clause 7.3.2(b), we will not be liable to you for any Loss arising as a result of any delay in us crediting any payment to your Account.
- 5.2.4 You may trade on your Account using a credited amount (equivalent to the amount of funds which you have deposited) prior to such funds being cleared and received by CMC Markets from a bank, a Eligible CASP acting on your behalf, or other third party payment provider ("**Trading Credit**"), provided, however, that: (i) the amount of the Trading Credit shall be reversible by CMC Markets at any time prior to cleared funds being received from the relevant bank, Eligible CASP acting on your behalf, or other third party payment provider; (ii) you shall remain responsible and liable for the use or loss of any Trading Credits until the funds have been cleared and received by us; and (iii) we reserve the right not to act on withdrawal instructions to the extent that any Trading Credit is outstanding or any funds remain uncleared.

- 5.2.5 You are responsible for any costs and charges incurred in the process of making any payment to your Account. You may also be liable for other charges that are not imposed by us, including transfer fees imposed by banks, Eligible CASPs (as defined below) or other third party payment providers, and fees to internet and telephone service providers. If you make a payment using a payment card, an Eligible CASP, or other third party payment provider, or withdraw money from an Account, we may charge an administration fee when we process that payment and/or withdrawal in accordance with Applicable Law. Please refer to our Website for further information.

Use of Eligible Crypto-Assets to Fund Your Account

- 5.2.6 Eligible Crypto-Assets cannot be used to fund your Account directly. CMC Markets has established connectivity with certain third-party crypto-asset service providers (“**Eligible CASP(s)**”), which offer facilities to exchange Eligible Crypto-Assets for fiat currencies acceptable to CMC Markets. A list of Eligible CASPs is available on request. Subject to its own terms and conditions and Applicable Law, an Eligible CASP will exchange the relevant Eligible Crypto-Asset for fiat currency at their prevailing rate and thereafter transfer such fiat currency to CMC Markets and notify CMC Markets of the amount to be credited to your Account. CMC Markets will credit your Account in your Account Currency with the amount (which may be in the form of Trading Credits) notified to CMC Markets by the relevant Eligible CASP.
- 5.2.7 The connectivity between CMC Markets and each Eligible CASP is solely for the purposes of facilitating: (i) the exchange by you with an Eligible CASP of Eligible Crypto-Assets into fiat currency to fund your Account; and (ii) the exchange by you with an Eligible CASP of fiat currencies withdrawn from your Account into Eligible Crypto-Assets. CMC Markets does not receive any Eligible Crypto-Assets nor hold any Eligible Crypto-Assets for your Account or on your behalf. CMC Markets is not the counterparty to any transaction involving the exchange of Eligible Crypto-Assets and fiat currency with an Eligible CASP. CMC Markets’ responsibility is strictly limited to carrying out your instructions for the withdrawal of fiat currencies from your Account and their transmission to an Eligible CASP, subject to and in accordance with these Terms of Business.
- 5.2.8 CMC Markets accepts no responsibility or liability for any act or omission by any Eligible CASP in relation to any transfer of Eligible Crypto-Assets or fiat currency. There is a risk that inaccurate transfers of Eligible Crypto-Assets may result in the irretrievable loss of the Eligible Crypto-Assets. You acknowledge that exchange rates between fiat currency and Eligible Crypto-Assets are not determined, quoted and executed by CMC Markets but by the relevant Eligible CASP. Exchange rates between fiat currency and Eligible Crypto-Assets may fluctuate significantly and are influenced by factors beyond our control, including market volatility, liquidity and external market conditions. In no event shall CMC Markets have any liability to you or any other person for (i) the loss of any Eligible Crypto-Assets as a result of any errors or delays in transfers, including without limitation, any inaccurate instructions or data provided by you, bugs or errors in communications infrastructure, or the operation of any blockchain or similar technology; and (ii) any Losses incurred by you in respect of any fluctuations in exchange rates, the exchange rate determined or quoted by the Eligible CASP or any delay between the time you authorise a transaction and the time it is executed by the Eligible CASP (including any delay caused by any action taken by us in compliance with Applicable Law).
- 5.2.9 If you are funding your Account by using an Eligible CASP, the value of the Eligible Crypto-Asset involved in the transaction must have a minimum transaction value equivalent to the smallest denomination unit of the relevant Account Currency (the “**Minimum Transaction Value**”). Transactions below the Minimum Transaction Value will not be processed by us or the relevant Eligible CASP. The value of any such transfer will be determined using the conversion rates provided by the Eligible CASP in accordance with their terms. Where the value of any transfer is below the Minimum Transaction Value, we shall, in our sole discretion, (i) instruct the relevant the Eligible CASP to decline any such transfers; (ii) decline any such transfers (denominated in fiat currency) from the Eligible CASP; and (iii) not reflect an equivalent fiat currency amount in your Account in respect of such transfer. The relevant Eligible CASP is not obligated to return any Eligible Crypto-Asset or reverse any Eligible Crypto-Asset transfers made with a value below the Minimum Transaction Value.

Withdrawals

- 5.2.10 You may make a request to withdraw money up to the amount of Available Cash in your Account. If you fund your Account by exchanging an Eligible Crypto-Asset for fiat currency with an Eligible CASP, then we will process any withdrawal request only after we have received your cleared funds. Details on how to make withdrawals of money from your Account are available on our Website or from our client management team upon request.
- 5.2.11 Unless we agree otherwise or in order for us to comply with Applicable Law, we will only accept a request for a withdrawal of money from an Account that is given directly by you or certain Authorised Persons. We will not accept any request for a withdrawal of money from an Account from any other person.
- 5.2.12 If you fund your Account with fiat currency, withdrawals of fiat currency from your Account may only be made in the Account Currency. If you fund your Account by exchanging an Eligible Crypto-Asset for fiat currency with an Eligible CASP, any request for a withdrawal in the form of an Eligible Crypto-Asset will be treated as an instruction to transfer fiat currency denominated in the Account Currency from your Account to an Eligible CASP to be exchanged for an Eligible Crypto-Asset. If you have funded your Account by exchanging an Eligible Crypto-Asset for fiat currency with an Eligible CASP, you may also instruct us to transfer fiat currency in your Account to you through a bank transfer.

- 5.2.13 Withdrawals will only be processed by us where the destination for the money being withdrawn is (i) to a verified account (such as a bank account or credit card account) belonging to you, which you have registered with CMC Markets, unless (subject to our prior approval) you have notified us in writing that your payment details have changed, or (ii) if agreed by us, to your funds held in certain Authorised Persons' segregated client money account, provided that that Authorised Person is licensed to hold client money by the relevant regulatory authority. If you have funded your Account by exchanging Eligible Crypto-Assets for fiat currency through an Eligible CASP, we will transfer funds to the Eligible CASP on your behalf with the instruction to exchange fiat currency for Eligible Crypto-Assets at their prevailing rate and to deliver the Eligible Crypto-Assets to a Crypto-Asset Wallet belonging to you that has been verified by us. We may deviate from this policy in the presence of exceptional circumstances.
- 5.2.14 We may in our reasonable discretion refuse or delay giving effect to your request for a withdrawal of money (in whole or in part) from your Account, including as a result of any request to close that Account under clause 9.6.1. We will notify you as soon as reasonably practicable if we decide to refuse or delay giving effect to your request for a withdrawal and such circumstance shall be regarded as a Specified Event (see clause 8.1).

Others

- 5.2.15 If your Account has a negative Cash value following Account Close-Out or termination of this Agreement, that negative Cash value represents a debt owed to us which is due and payable immediately.
- 5.2.16 Any negative balance must be cleared promptly regardless of whether the balance is within the relevant Close-Out Level and is a debt, which is payable immediately on demand.
- 5.2.17 Notwithstanding any other provision of this Agreement, any payment obligation that we may have to you under this Agreement (other than a payment obligation pursuant to clause 5.4) is subject to the condition precedent that no Event of Default has occurred and is continuing and no Early Termination Date has occurred or been effectively designated.

5.3 Currency.

- 5.3.1 The Account Currency of an Account will be Singapore Dollar (SGD) unless otherwise agreed by us at the time you open the Account, and any payment obligations in relation to that Account must be settled in that Account Currency.

5.4 Close-out Netting and Early Termination

- 5.4.1 All CFD Margin Trades, Option CFDs, and Countdowns entered into by you or on your behalf pursuant to these Terms of Business are entered into in reliance on the fact that the Agreement and all CFD Margin Trades Option CFDs, and Countdowns form a single agreement between us and you. The term Agreement shall be construed as including the Agreement and all CFD Margin Trades Option CFDs, and Countdowns accordingly.
- 5.4.2 You agree you will not enter into any CFD Margin Trades Option CFDs, or Countdowns other than as part of the Agreement.
- 5.4.3 Without prejudice to any of our other rights under this Agreement and upon the occurrence of an Event of Default, we may at our sole discretion and by notice in accordance with clause 6 designate a day not earlier than the day such notice is effective as the "**Early Termination Date**" in respect of all outstanding CFD Margin Trades Option CFDs, and Countdowns as at such date (each an "**Outstanding CFD Margin Trade**", an "**Outstanding Option CFD**" or an "**Outstanding Countdown**" as applicable).
- 5.4.4 Once an Early Termination Date has been designated, no further payments will be required to be made in respect of the relevant CFD Margin Trades, Option CFDs, and Countdowns, other than payments calculated in accordance with the remaining provisions of this clause 5.4 and we will cancel any Pending Orders.
- 5.4.5 On or as reasonably practicable following the occurrence of an Early Termination Date, we will make the relevant calculations to determine our Netting Loss or Netting Gain (as applicable) for each Outstanding CFD Margin Trade, Outstanding Option CFD, and Outstanding Countdown. We will provide to you evidence of such calculations showing reasonable detail and including all relevant quotations. Such calculations shall be binding on you (absent manifest error) and the date on which such calculations are provided shall be the "**Payment Date**".
- 5.4.6 On the Payment Date, the Settlement Amount will be due and payable. If the Settlement Amount is a positive number, you will pay the Settlement Amount to us. If the Settlement Amount is a negative number, we will pay the Settlement Amount to you.

5.5 Our right to deduct money from your Account.

- 5.5.1 Any money due to us under the Agreement, or required to be deducted by Applicable Law (including for tax purposes), may be deducted from any Cash held by us in respect of your Account. This is our right to make a "**Deduction**".

5.6 Our right of Set-Off in relation to your Account.

- 5.6.1 We may, at any time and without notice to you, apply any positive Cash balances in any account with us or our Associates, or any money due to you from us, against any money or obligation due to us (or any of our Associates) under any account with us or our Associates from you. This is our right of "**Set-Off**". We may apply the Currency Conversion Rate to convert the relevant Cash balances and any money due to you or

us into the same currency. If we exercise our right of Set-Off, we will give you notice of the Amount of any debt that remains unsatisfied and such debt is immediately payable to us.

5.6.2 You acknowledge and agree that we shall be entitled to retain your Cash as continuing security for any indebtedness in your Account and, in addition, if demanded, you shall promptly provide us with such further security as we may request from time to time or as may be required under Applicable Law.

5.6.3 If you have more than one Account with us, we may, at any time without notice to you and as we consider necessary, Set-Off or transfer any sum standing to the credit of any one or more of such Accounts in or towards satisfaction of any obligations or liabilities of whatsoever nature to us in respect of any other Accounts.

5.7 Netting of payment obligations between us and you.

5.7.1 If at any time in relation to any one Account:

(a) you owe us and we owe you the same amount of money in the same currency, then both your and our obligation will each be automatically satisfied and discharged; or

(b) you owe us and we owe you a different amount of money in the same currency, then whichever of you or us owes more may pay the excess to the other party and both your and our obligations will be satisfied and discharged.

5.8 Taxes.

5.8.1 If we are required to pay any withholding tax, duties or other levies on your behalf, we reserve the right to deduct such amounts from your Account or otherwise require you to pay or reimburse us for such payments. You shall have no claim against us regarding such deductions.

5.8.2 We are entitled to deduct or withhold, in our sole discretion, any tax required by Applicable Law from any payment or credit made to your Account. Your tax treatment in relation to CFD Margin Trades, Option CFDs, and/or Countdowns may differ according to your circumstances and you may wish to seek independent professional advice in this regard.

5.8.3 All charges will be made inclusive of any goods and services taxes or similar consumption taxes, as applicable.

5.8.4 You may be subject to tax on gains, profits and income from CFD Margin Trades and Option CFDs. You should consult with your own legal and tax advisers with respect to the tax consequences of an investment in CFD Margin Trades and Option CFDs in your particular circumstances and with respect to the eligibility of CFD Margin Trades and Option CFDs for investment by you under relevant Applicable Law.

5.8.5 If you choose to fund your Account by exchanging an Eligible Crypto-Asset for fiat currency with an Eligible CASP, it may be treated as a taxable event in your tax jurisdiction(s). CMC Markets will not be responsible for any of your tax liabilities as a result. You are solely responsible for determining, reporting, and paying any applicable taxes arising from such transactions in accordance with Applicable Law in your tax jurisdiction(s). We do not provide tax advice, and this information shall not be construed as such. You should consult with independent tax professionals to understand and address the consequences of entering into transactions involving Eligible Crypto-Assets.

5.9 Costs.

5.9.1 There are costs associated with trading with us. Details of these costs can be found via our Website and Platform, and in these Terms of Business. We may impose and/or vary costs from time to time where we have a valid reason for doing so. We may also, in our sole discretion, waive these costs. We will give you notice of any change to our costs in accordance with clause 9.

5.9.2 We will charge Holding Costs for certain CFD Margin Trades, details of which are available on our Platform. Holding Rates may change on a regular basis and you must maintain sufficient Cash in your Account to cover any Holding Costs. We may deduct any Holding Costs you owe us from the Cash in your Account.

5.9.3 If you subscribe for certain Products, a market data subscription fee may apply. Different market data subscription fees will apply if you are not classified as a Private Investor and full details of such fees can be found on our Platform. In order to qualify as a Private Investor, you and all Authorised Persons must satisfy the conditions of a Private Investor (as set out in Schedule 2).

5.10 Introduced business.

5.10.1 This clause 5.10 applies if you have been referred to us by a third party, such as a referrer, an intermediary or money manager (each a "Referrer"). We will notify you in advance of the effective date of this clause 5.10, which will apply from the date specified in that notification. Any agreement you may have with a third party is entirely at your own risk and we will not accept responsibility or liability for any conduct, action, representation, omissions, advice, statement or services of such Referrer. You acknowledge that you have received a disclosure document that describes the nature of the referral arrangement, including any Referral Fees that may be paid by CMC Markets to a Referrer.

5.10.2 Where you have been referred or introduced by a Referrer, we may pay the Referrer who introduced you to us fees, commission and/or other remuneration ("Referral Fees") in respect of such referral or introduction by the Referrer. The payment of any Referral Fees will not increase the fees you pay to CMC Markets for your Account(s). Please note that any Referral Fees will only be made where we are satisfied that such payments do not impair our obligation to act in the best interests of our clients.

- 5.10.3 By entering into this Agreement, you authorise us to disclose information about you and your Account including your personal data and your Account activity to the third party referred to in clause 5.10.1 and also that third party's affiliates and sub-contractors as required for the purpose of providing services to you.

6.3 Encryption of Communications

6.3.1 You understand and agree that although we may use third-party platforms who offer encrypted communication methods (such as providers of Omnichannel Communication Channels), communications between you and us may not be encrypted nor secure.

6.3.2 When using any communication channels by third-party platforms including Omnichannel Communication Channels, you acknowledge and agree to assume the associated risks. We shall not be held liable for any Losses arising from the use, operation, malfunction, or data breach of communication channels by third-party platforms. CMC Markets reserves the right to reject the use of any Omnichannel Communications Channels. Such decisions will be made on fair and reasonable grounds, where applicable.

Accuracy and Ongoing Disclosure of Client Information

- 7.1.2 You warrant, represent, and undertake that all information, data, documents, declarations and confirmations provided by you (or on your behalf) to us in connection with this Agreement, the use of our services, the Account opening process or any regulatory, compliance, onboarding, appropriateness, risk assessment, client classification, client vulnerability, anti-money laundering, anti-terrorist financing, or know-your-customer requirements shall, at the time provided and on a continuing basis, be true, complete, accurate and not misleading (whether by omission or otherwise).

We reserve the right to not give you notice where the Reserved Action does not have a detrimental or material impact on your Account.

9. AMENDMENTS AND TERMINATION

9.1 Amendments to the Agreement in general.

- 9.1.1 We may amend any part of the Agreement at any time by giving you notice, subject to clauses 9.1.2 and 9.1.3.
- 9.1.2 Subject to any agreement we have made with you, we will give you prior notice of any material amendments (where a “material amendment” is a change that is reasonably likely to have a significant adverse impact on your rights, obligations, or the way our services are provided) to the Agreement, and any such amendments will become effective on and from the date specified in our notice to you. We will not be obliged to give you notice for immaterial, minor or trivial amendments to the Agreement (e.g. correction of typographical errors and changes to formatting and presentation). In such circumstances, we will update the Agreement without prior notice to you and make the amended Agreement available on our Website.
- 9.1.3 Notwithstanding clauses 9.1.1 and 9.1.2, we may amend any part of the Agreement immediately (and providing notice to you as soon as reasonably practicable after such amendments have been made) in response to a Circumstance Outside Our Control, Corporate Action, Adjustment Event, or as required under Applicable Law.
- 9.1.4 If you do not accept the amendment(s) to the Agreement, you will be free to close your Account and/or terminate the Agreement in accordance with clause 9.6 before the amendment(s) take effect.
- 9.1.5 If you do not accept the amendment(s) to the Agreement on and from their effective date, we may set your Account to Unauthorised To Trade or Reduce Only, close your Positions and/ or terminate the Agreement in accordance with clause 9.6.2. If you continue to operate your Account and/or utilise our services after such notification pursuant to this clause 9.1, you are deemed to have agreed to such amendment(s) to the Agreement without reservation.

9.2 Amendments to Margin Rates, Margin requirements, Commission, Close-Out Level, Reset Level, and other costs.

- 9.2.1 We may from time to time make amendments to the Margin Rate, other Margin requirements applicable to a Product or your Account, Commission, Close-Out Level, Reset Level, and/or other costs. We will, where possible, provide you with:
- (a) three (3) Business Days' notice of increases to the Margin Rate, other Margin requirements and/or Commission;
 - (b) ten (10) Business Days' notice of amendments to the Close-Out Level and/or Reset Level; and

We reserve the right, at any time and without prior notice to you, to decrease the Margin Rate, other Margin requirements, Commission, and/or other costs. For the avoidance of doubt, we are not obliged to provide you with any notice under this clause 9.2.1 if your Account is not impacted by the amendments specified in this clause 9.2.1.

You may be required to deposit an additional Amount in your Account in the event of such amendments. Any failure to do so may result in Account Close-Out.
- 9.2.3 Notwithstanding clause 9.2.1, for crypto-asset CFDs which trade on a 24/7 basis, any amendments to Margin Rates, Margin requirements, Commissions, Close-Out Levels, Reset Levels and other costs in respect of crypto-asset CFDs may take effect on a day that is not a Business Day.

We may make changes to the way the Price of a Product or Premium is calculated and such amendments will take effect immediately as and when they are made.
- 9.3.2 Prices, Settlement Prices, Rates, Premiums, GSLO Premiums, Spread and Attributes for Products are derived from one or more third-party pricing sources, including exchange and liquidity provider feeds. Such third-party pricing sources may update prices at any time and may be subject to delays, restrictions or corrections. If a certain third-party pricing source becomes unavailable or unreliable, we may switch to alternative pricing sources or suspend trading in the affected Products.
- 9.3.3 Where we notify you of a change to a limit in relation to an Attribute, you may be required to close any affected CFD Margin Trades and Option CFDs within three (3) Business Days.

- 9.4.3 Subject to clause 9.4.2, we may set any Product that is being removed in accordance with clause 9.4.1 to Reduce Only.
- 9.5 Removal of sales trader service.**

Subject to clause 9.5.2, this will take effect on the date specified in such notice. Unless our notice specifies otherwise, you will be allowed to close any Manual Orders on the relevant Account during the time between:
- (a) when we give you the notice; and

- If you do not do this, we will cancel or close any Manual Orders, as far as our client management team see fit in their sole discretion, taking into account any prior instructions you have provided.
- 9.5.2 If we have valid reasons for doing so, we may remove the sales trader service from your Account immediately. We will cancel or close any Manual Orders on the applicable Account and, as far as our client management team see fit in their sole discretion, taking into account any prior instructions you have provided. We will attempt to notify you which, for the avoidance of doubt, may be after we remove the sales trader service from your Account.
- 9.6 Closing your Account or terminating the Agreement.**
- 9.6.1 You may close any Account by giving us notice in writing which will usually take effect up to one (1) Business Day after it is received by us, subject to the condition precedent that no notice designating an Early Termination Date has been given by us. If you do not cancel any Pending Orders, close any CFD Margin Trades or Option CFDs on the Account, or withdraw any money due to you before giving us such notice of termination, we will cancel any Pending Orders and close any CFD Margin Trades or Option CFDs as soon as possible after we receive your notice and then (subject to clauses 5.2.13, 5.2.14 and 5.2.15) attempt to return any money due to you, but there may be a delay in doing so.
- 9.6.2 We may close any Account by giving you notice in writing. Subject to clause 9.6.3, this will take effect on the date specified in such notice being no less than ten (10) Business Days after the date of the notice. Unless our notice of termination specifies otherwise and/or we have set the Account to Unauthorised To Trade, you will be allowed to cancel any Pending Orders and/or close any CFD Margin Trades or Option CFDs during the time between: (i) when we give you the notice; and (ii) when the Account is due to close and/or the Agreement is due to terminate in accordance with the notice. If you do not do this or giving you notice is not possible, we will cancel any Pending Orders and close any CFD Margin Trades or Option CFDs on the Account and then (subject to clauses 5.2.13, 5.2.14 and 5.2.15) attempt to return any money due to you.
- 9.6.3 If we have serious grounds or valid reasons for doing so, we may terminate the Agreement or set an Account to Reduce Only or Unauthorised To Trade with less than ten (10) Business Days' notice, including immediately. We will cancel any Pending Orders or set an Account to Reduce Only or Unauthorised To Trade and close any CFD Margin Trades or Option CFDs on the Account at the time and in the manner specified in the notice.
- 9.6.4 If there are any circumstances which suggest that there is some fraudulent, illegal or any such criminal activity which affects or prejudices our interests, we may be entitled to take any Reserved Action and thereafter terminate the Agreement with less than three (3) Business Days' notice, including immediate termination. We are entitled to cancel any Pending Orders and close any CFD Margin Trades or Option CFDs at the time and the manner specified in the notice or to cancel them without notice.
- 9.6.5 Unless otherwise agreed, the Agreement will automatically terminate following the closure of all your Accounts by you or us. When you or we close an Account and/or terminate the Agreement we may exercise any right that we have under clause 5.5.1 to make a Deduction or under clause 5.6.1 to exercise our right of Set-Off.

This Schedule 1C of these Terms of Business sets out terms that apply specifically to Countdowns on any Account. Countdowns may not be available to all of our clients.

1. Countdowns.

- 1.1 A Countdown allows you to speculate on whether the Settlement Price of a Product will have moved up or down at the end of a specified timeframe. - 1.2 The Stake will be deducted from the Cash in your Account at the point the Countdown is opened. If your Countdown prediction:
- (a) is incorrect you will lose your Stake;
 - (b) is correct, your Stake will be returned to your Account, along with an additional Amount (the "**Countdown Profit**") calculated by multiplying the Stake by a win percentage, as specified in the Product Library for that Product (the "**Win Percentage**"); or
 - (c) is neither correct nor incorrect (i.e. the Settlement Price is equal to the Countdown Opening Price when the Countdown expires), a portion of the Stake calculated by multiplying the Stake by a draw percentage, as specified in the Product Library for that Product (the "**Draw Percentage**"), will be returned to your Account.
- 1.3 All Countdowns will be denominated in the Account Currency.
- 1.4 You will be able to see which Products you can place Countdowns on and access relevant information on each of these Products through the Product Library.

2. Countdown Opening Prices and Settlement Prices.

- 2.1 During the Trading Hours for any Product, our Platform will generate Countdown Opening Prices and Settlement Prices, subject to clauses 4.2.1, 8.2 and 8.3, as well as paragraph 7.2 of this Schedule 1C. You may only enter into Countdowns during the Trading Hours for the relevant Product. It is your responsibility to monitor the Trading Hours specified in the Product Library from time to time.
- 2.2 The Countdown Opening Price applicable to any particular Countdown will be generated by and displayed on our Platform and displayed on the Order ticket when the Countdown is opened.
- 2.3 Countdowns will be settled against the Settlement Price of the relevant Product applicable at the expiration of the relevant Countdown. For the avoidance of doubt the Countdown Opening Price and Settlement Price are relevant only for determining whether you win, lose, or draw a Countdown and not for determining the amount of your profit or loss.
- 2.4 The Countdown Opening Price at which a Countdown is opened may be less favourable to you than the Countdown Opening Price displayed on our Platform when you placed the Order.

3. Orders.

- 3.1 To enter into a Countdown, you must place an Order on our Platform that identifies the Product and specifies the Stake, and provides the information requested on our Platform in relation to that Product. An Order to enter into a Countdown will only be deemed to be received by our Platform at the time at which our Platform actually receives it, which may not be immediately after you submit that Order.
- 3.2 Placing an Order for a Countdown does not guarantee that a Countdown will be entered into. Our Platform and/or we may reject your Order to enter into a Countdown without any explanation.
- 3.3 An Order to enter into a Countdown will be accepted, and a Countdown will be entered into, when the Order is executed by our Platform. Our Platform will record any execution of your Orders, and you can access the relevant information on executed Orders through our Platform.
- 3.4 If the conditions of an Order to enter into a Countdown are met, but at that time your Available Cash is lower than the Stake, the Countdown will not be entered into.
- 3.5 When a Countdown is opened, the Stake immediately becomes payable and a corresponding change will be made to the Cash in your Account. If the Countdown is subsequently cancelled or becomes void the Stake will be returned to the Cash in your Account.
- 3.6 All Countdowns open on the same Product at the same time on an Account are aggregated and subject to netting for the purposes of calculating the size of your Position in the relevant Product.
- 3.7 Orders used to enter Countdowns in the same Product will, if and when executed, open a new Countdown, even if there is already an open Countdown in the same Product in the opposing direction.

4. Closing Countdowns.

- 4.1 Once a Countdown has been entered into, it cannot be closed by you. All Countdowns will be closed and settled by our Platform automatically on expiration of the Countdown.
- 4.2 We reserve the right to instruct our Platform to close any Countdown when we take a Reserved Action or exercise any of our other rights under the Agreement.

5. Limits.

5.1 In addition to any maximum Stake specified in the Product Library, Orders and Countdowns in respect of any Product may be subject to limits restricting the number of Countdowns and/or Positions on the Account at any time. These limits are set by us in our sole discretion and may vary between Accounts.

5.2 We are entitled to vary these limits at any time in accordance with clause 9.3 and it is your responsibility to ensure that you know what all the current limits are before entering into any Countdown by checking the information available on the Platform, as our Platform will automatically reject Orders that would result in a breach of an applicable limit.

6. Profit Or Loss.

6.1 Your potential loss for any individual Countdown is limited to the size of the Stake. The potential profit for any individual Countdown will be specified in the Product Library and will be unchanged over the life of the Countdown. It is denominated in the Account Currency.

6.2 When a winning Countdown is settled, any payout will immediately become due to you and a corresponding change will be made to the Cash in your Account.

6.3 If a Countdown is neither winning nor losing, but expires at a Settlement Price equal to the Countdown Opening Price, an amount equal to your Stake multiplied by the Draw Percentage will immediately become due to you and a corresponding change will be made to the Cash in your Account.

7. Pricing Errors.

7.1 From time to time a Pricing Error may occur which prevents our Platform from determining the Settlement Price for a Countdown.

7.2 If we become aware of a Pricing Error during the life of the Countdown, we may, provided it is fair and reasonable in the circumstances, declare that Countdown void and return the Stake to the Cash in your Account.

7.3 If we become aware of such Pricing Error at or after the expiration of a Countdown, we will look at the age of the last available Settlement Price and either:

- (a) cancel the Countdown and return the Stake to the Cash in the relevant Account if the last available Settlement Price is older than half (50%) of the timeframe of the relevant Countdown; or
- (b) subject to paragraph 7.3(a) of this Schedule 1C, if there is no available Settlement Price for a Product within the last 15 seconds of the Countdown or, if the timeframe of the Countdown is less than a minute, within the last quarter (25%) of the timeframe of the relevant Countdown, settle the Countdown at such Settlement Price as we determine to be fair and reasonable, based on the last Settlement Price available immediately prior to the Pricing Error.

8. Account Close-Out.

8.1 Countdowns will not be closed during Account Close-Out.
